Hospital South	Adult ICU Staff 7th floor; 14C shower in men's & women's locker room for OB/GYN; Surgery has showers; 11C – cardiac/diagnostic radiology lab	Has lockers; 2 showers with curtains also has lockers; For those who work there; Probably not available to non-staff. 3rd floor has some that belong to environmental services/food services. They are near B elevators. There is a locker room on 14c in the Mother/Baby Unit. The lockers are small, maybe a foot square, but there appears to be quite a few of them, maybe 30 or so, that are not being used. A key pad lock is on the door. There is also 2 showers in the locker room. Doctors and Labor and Delivery staff use the showers at change of shift, 7 am, 3:00 pm, and 11:00 pm. If others used the showers during this time there might be complaints. Adult ICU Staff-7th floor. General Med/OB Staff-14th floor.
