Skill development workshop:  
How to write an abstract

Prepare for Research Week by attending this lunchtime workshop “How to write an abstract,” led by David Jacoby M.D., professor of medicine, and chief, pulmonary and critical care.

This workshop is open to all students, researchers at OHSU and is recommended to anyone submitting an abstract for Research Week in May.

Friday, Feb. 26, 2016  
12 p.m.  
Mackenzie Hall, 2201  
Marquam Hill Campus
