

Things To Discuss With Your Care Coordinator

(Adapted from the Medical Home Project for Children with Special Health Care Needs, Los Angeles, CA)

Before the meeting:

1. What are your child's current treatment plan and services?
2. Are you satisfied with them?
3. Have there been any changes in your child's condition or services since your last talk with your care coordinator?
4. Do you have any new concerns since your last talk with your care coordinator?
5. Are there other services you would like to see included in your child's Care Plan?
6. How would this benefit your child?
7. Is there anything else you think your care coordinator should know?
