CROET

Working for a healthy workplace

CROET is the Center for Research on Occupational and Environmental Toxicology at OHSU. Our mission is to promote health and prevent disease and disability among working Oregonians and their families. We do so through basic and applied research, outreach, education and health monitoring.

PSU contact information

Portland State University offers a graduate level specialization in Occupational Health Psychology as part of its MA and PhD programs in Applied Psychology. For more information about this program, visit the Psychology Department web page (<http://www.psy.pdx.edu/>) and the Portland State Occupational Health Psychology web page (<http://www.ohp.pdx.edu/>), or contact:
