ADMINISTRATION FELLOWSHIP

OHSU Emergency Medicine is accepting applications for its Administrative Fellowship. Emergency departments have a growing need for residency-trained, emergency physicians to fill both clinical and leadership roles. This fellowship is designed for emergency medicine residency graduates who wish to pursue graduate education and training in healthcare management and have a strong interest in fulfilling the role of an emergency department clinical director.

Fellow will receive hands on training and education in:

- LEAN methodology, continuous process improvement, creating and maintaining standard work.
- Value based care initiatives and population health.
- OHSU/PSU MBA in healthcare management program or similar master’s or certificate program.
- ACEP Emergency Department Directors Academy Phase I. Graduates of this unique program will receive a certificate of completion documenting their pursuit of excellence and participation in specialized management training.
- Seven clinical shifts per month at OHSU or affiliate hospitals.
- Completion of a quality improvement project.
- Attendance and participation in monthly emergency department administrative committees and meetings.

QUALIFICATIONS:

- Board certified or board eligible in Emergency Medicine (residency trained)
- Interest in obtaining an MBA in healthcare management or similar master’s or certificate program.
- Two year commitment to complete the fellowship. The associated MBA program requires an additional year to complete independent of the fellowship.
