# Thank You!

OHSU Food & Nutrition Department is in the beginning stages of implementing a department wide composting program.

Recently, we introduced test compost models into the third floor café and we are pleased to announce the results!

**With your help**, we have increased the amount of garbage diverted from the landfill by **63%**

With your continued help we could achieve an **additional increase of 24%**

Keep it up! We can't do it without you.
