# The 3rd Annual Pacific Northwest Cardiovascular Summit September 8–9, 2017

Oregon Health & Science University (OHSU) Knight Cardiovascular Institute is pleased to present the 3rd annual Pacific Northwest Cardiovascular Summit. This symposium will provide the most up-to-date information about diagnosing and treating cardiovascular disease. Hear from internationally renowned experts speaking on topics related to:

- Heart failure
- Electrophysiology
- Prevention
- Imaging
- Structural heart disease
- Peripheral vascular disease

## Course objective

At the end of the course, learners will be able to identify clinical presentations of the cardiovascular conditions spoken about, understand appropriate interventional approaches to treating cardiovascular symptoms, and establish an approach to treating and managing patients in these high-risk cardiovascular conditions.

## Location

The Pacific Northwest Cardiovascular Summit will be held in The Nines Hotel, located in downtown Portland, next to Pioneer Square and the central business district.

The Nines Hotel  
525 S.W. Morrison St  
Portland, OR 97204

## Hotel accommodations

A limited number of rooms are being held for Summit participants. To ensure that you receive the conference rate of, we encourage you to make your hotel reservations early and before the August 8, 2017 deadline. Please visit their website below to learn more and reserve a room or call 877-229-9995. Identify yourself as a participant of the Pacific Northwest Cardiovascular Summit.

Please visit their website to learn more and reserve a room at [www.thenines.com](http://www.thenines.com).

Visit [www.pnwcvs Summit.com](http://www.pnwcvs Summit.com) for more information and to register.

---

## Registration

Register online at [www.pnwcvsummit.com](http://www.pnwcvsummit.com)

### Registration fees

#### For physicians

\$249 – Early bird registration

\$349 – After August 1, 2017

#### For advanced practice providers

\$149 – Early bird registration

\$249 – After August 1, 2017

The conference registration fee includes online syllabus material, continuing medical education credits, meals and refreshment breaks where specified in the agenda. Enjoy optional sponsored excursions to breweries, wineries and more, listed on our website. For registration questions or more information, please contact Raiza Dottin at 503-346-1126 or [kcvicme@ohsu.edu](mailto:kcvicme@ohsu.edu).

### Cancellation and refunds

The conference registration fee is refundable minus a \$25 processing fee if cancellation notice is received by August 1, 2017. After that date, the registration fee is 50% refundable until August 25, 2017. No refunds will be issued after that date.

## Continuing education information

### Accreditation

Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit

OHSU School of Medicine, Division of CME, designates this live activity for a maximum of 8.75 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Who should attend

This course is intended for all providers involved in the evaluation and treatment of cardiovascular disease, including cardiologists, vascular medicine specialists, cardiothoracic surgeons, vascular surgeons, primary care physicians, advanced practice providers, and other healthcare professionals involved in the diagnosis, treatment and prevention of cardiovascular disease.

### Program Planning Committee

Jill Gelow, M.D., M.P.H., Program Director

Michael D. Shapiro, D.O., Program Director

Steven Heitner, M.D.

Charles Henrikson, M.D.

Cherrie Abraham, M.D.

Firas Zahr, M.D.

## Invited faculty

For complete bios, visit [www.pnwcvs Summit.com](http://www.pnwcvs Summit.com).

### **Christie Ballantyne, M.D.**

Professor of Medicine; Chief of Cardiology and Cardiovascular Research; Director of the Center for Cardiovascular Disease Prevention, Houston Methodist DeBakey Heart & Vascular Center, Baylor College of Medicine

### **Michael Blaha, M.D., M.P.H.**

Director of Clinical Research, Johns Hopkins Ciccarone Center for the Prevention of Heart Disease; Associate Editor, Atherosclerosis journal; Associate Editor, Diabetes and Cardiometabolic Clinical Community on acc.org; Standing Member, Endocrinologic and Metabolic Drug Advisory Committee (EMDAC) for the FDA

### **Mark Creager, M.D.**

Professor of Medicine and Surgery, Geisel School of Medicine at Dartmouth; Director, Heart and Vascular Center, Dartmouth-Hitchcock Medical Center

### **Brian DeRubertis, M.D.**

Associate Professor of Surgery; Medical Director, Gonda Ambulatory Procedure Unit, UCLA Medical Center

### **Marcelo DiCarli, M.D.**

Professor of Medicine and Radiology, Harvard Medical School, Brigham and Women's Hospital

### **Mariell Jessup, M.D.**

Chief Scientific Officer, Foundation Leducq; Emeritus Professor of Medicine, Former Medical Director, Penn's Heart and Vascular Center; Clinical Chief of the Cardiovascular Division, University of Pennsylvania Perelman School of Medicine

### **Samir Kapadia, M.D.**

Professor of Medicine; Section Head, Invasive and Interventional Cardiology; Director, Sones Cardiac Catheterization Laboratories; Director, Interventional Cardiology Fellowship Program, Arnold Miller Family Heart & Vascular Institute, Cleveland Clinic Lerner College of Medicine

### **Dhanunjaya Lakkireddy, M.D.**

Director, Center for Excellence in Atrial Fibrillation and Complex Arrhythmias, University of Kansas Hospital

### **Patrick McCarthy, M.D.**

Heller-Sacks Professor of Surgery; Chief of Cardiac Surgery; Executive director, Bluhm Cardiovascular Institute, Northwestern Medicine, Feinberg School of Medicine

### **Jeanie Poole, M.D.**

Professor of Medicine; Section Head Electrophysiology and Arrhythmia Service, University of Washington

### **Partho Sengupta, M.D., D.M.**

Professor of Cardiology; Director, Cardiac Imaging; Chair, Cardiac Innovations, Heart and Vascular Institute, West Virginia Institute

### **Clyde Yancy, M.D.**

Vice Dean for Diversity and Inclusion; Chief of Cardiology; Professor of Medicine and Medical Social Services, Northwestern University

#### KEYNOTE ADDRESS

### **Albert Starr, M.D.,** Lasker Award Winner

An internationally-acclaimed surgeon, scientist, inventor and teacher, few individuals have had such a profound and enduring effect on the practice of medicine and healing of the human heart as Dr. Starr.

7:30 a.m.	<b>Registration and breakfast</b>
8:30 a.m.	<b>Welcome</b> Michael D. Shapiro, D.O.
8:40 a.m.	<b>Chronic heart failure: integrating new therapies into clinical practice</b> Clyde Yancy, M.D.
9:20 a.m.	<b>Acute heart failure: management, pearls and lessons learned</b> Mariell Jessup, M.D.
10 a.m.	<b>Break</b>
10:20 a.m.	<b>PCSK9 inhibition: promise fulfilled?</b> Christie Ballantyne, M.D.
11 a.m.	<b>Providing evidence for subclinical atherosclerosis in risk assessment</b> Michael Blaha, M.D., M.P.H.
11:40 a.m.	<b>Lunch</b>

FRIDAY AFTERNOON

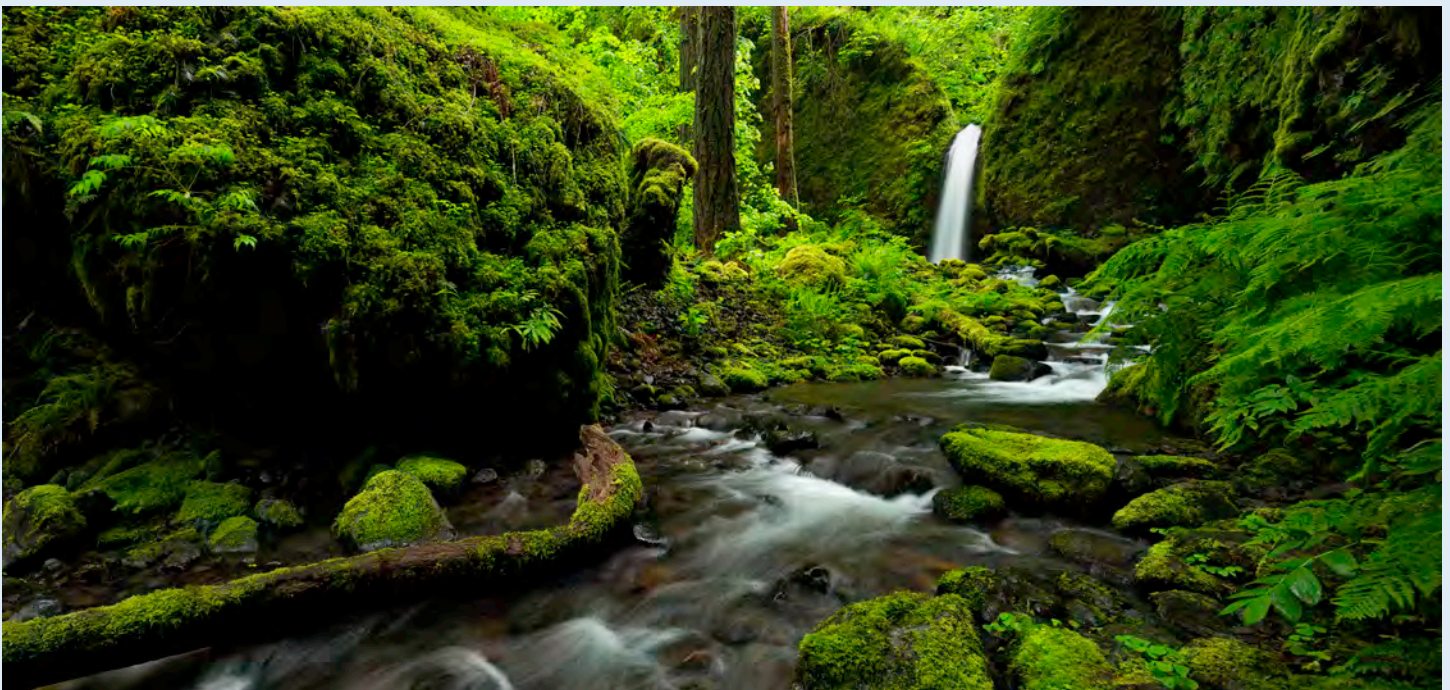

## September 8 / Imaging and Structural Heart Disease

1 p.m.	<p><b>Coronary microvascular dysfunction in ischemic heart disease: implications for diagnosis and management</b>          Marcelo DiCarli, M.D.</p>
1:40 p.m.	<p><b>Multimodality imaging in structural heart disease</b>          Partho Sengupta, M.D.</p>
2:20 p.m.	<p><b>Break</b></p>
2:40 p.m.	<p><b>Mitral valve therapy: the role of surgery in the era of percutaneous therapy</b>          Patrick McCarthy, M.D.</p>
3:20 p.m.	<p><b>Aortic valve: TAVR: Standard care of the future or a promise unfulfilled?</b>          Samir Kapadia, M.D.</p>
4 p.m.	<p><b>Break</b></p>
4:20 p.m.	<p><b>KEYNOTE ADDRESS</b>  <b>From the artificial valve to the artificial heart: an innovator's journey</b>          Albert Starr, M.D.</p>
5 p.m.	<p><b>Wine and hors d'oeuvres reception</b></p>

SATURDAY MORNING

## September 9 / Peripheral Vascular Disease and Electrophysiology

7:30 a.m.	<b>Breakfast</b>
8:30 a.m.	<b>Welcome</b> Jill Gelow, M.D.,M.P.H.
8:40 a.m.	<b>Spectrum of PAD therapies: who, when and how?</b> Brian DeRubertis, M.D.
9:20 a.m.	<b>Peripheral vascular disease: it's a matter of life and limb</b> Mark Creager, M.D.
10 a.m.	<b>Break</b>
10:20 a.m.	<b>Left atrial appendage closure: state of the art</b> Dhanunjaya Lakkireddy, M.D.
11 a.m.	<b>Prevention of sudden cardiac death</b> Jeanie Poole, M.D.
11:40 a.m.	<b>Wrap-up and conclusion</b>
Noon	<b>Adjourn</b>

OHSU Knight Cardiovascular Institute
