

Harold B. Myers Collection

Accession No. 2002-006

Inventory

BOX 1

Envelope 1

1. Notebook: "Crossed Tolerance/Xanthines"; contains loose pages with extra data

Envelope 2

1. Notebook: "Caffeine Toleration"; contains loose papers with extra data, back of note book has record of work begun Oct. 15, 1923

Envelope 3

1. Notebook: "Iodine Toxicology"

Envelope 4

1. Notebook: "Systemic Reaction Between Iodine and Thiosulphate"
2. Reprint: "Loeser's Intravenous Solution of Sodium Thiosulphate"

Envelope 5

1. Notebook: "Salicylate Work"

Envelope 6

1. Notebook: "Harold Myers Estate" contains loose paper some of which have been placed in smaller envelopes and left in the notebook in its original place. Larger papers (correspondence and mss.) have been removed to Box 2, Folder 1 but its original location has been marked.

Envelope 7

1. Notebook: "Renal toleration of Theophylline" contains some loose paper

Envelope 8

1. Notebook: "Salicylates"

BOX 2

Folder 1

Items removed from notebook in envelope 6

1. Correspondence
2. Manuscript: Shutter, Lillian & Harold B. Myers "Picrotoxin-Stramonium Antagonism"
3. Manuscript, preliminary draft: Shutter, Lillian & Harold B. Myers "Picrotoxin-Stramonium Antagonism"
4. One page manuscript: Shutter, Lillian & Harold B. Myers "A Bio Assay of Strammonium"
5. Hand written note for item listed above
6. Two page manuscript: "A Bio Assay of Strammonium"; with 3 pages of handwritten data in table form and one page of handwritten text
7. Untitled or signed manuscript plus two pages of handwritten text

Folder 2

1. Two handwritten notes stating that the collection comes from the department of Pharmacology, 1963
2. Notebook titled "Morphine on Oestrus"

From envelope labeled Young A.G. manuscript and letters, addressed to Dr. Myers

3. Correspondence
4. Manuscript: Young, A. G., F. H. L. Taylor and H. H. Merritt, "Studies of the Distribution and Excretion of Mercury"
5. Photographs (9) of graphs, glued to paper with editorial comments all for the item listed above
6. Reprint: "The Journal of Laboratory And Clinical Medicine", April 1928; Young, A. G., The Studies of the Action of Sodium Thiosulphate in Metallic Intoxications
7. Reprint: "The New England Journal of Medicine", Dec. 1928; Young, A. G. A clinical Study of the Effects of O-Iodoxybenzoic Acid in the Treatment of Arthritis
8. Reprint: "The Journal of Bone and Joint Surgery January", 1935; Young, Albert G., Harold E. MacMatton, Chronic Proliferative Arthritis in Patients with Rheumatic Fever

From envelope labeled Comparative Toxicity of Certain Volatile Oils Found in Yeast

9. Manuscript: Myers Harold B., "The Comparative Toxicity of Certain Volatile Oils Toward Pathogenic Yeasts"

From a folder: "Toxicity of Volatile Oils and Stearoptenes Against Pathogenic Fungi"

10. Manuscript: Myers, Harold B., "An Unappreciated Fungicidal Action of Certain Volatile Oils"
11. Reprint: "The Journal of the American Medical Association", June 1925; Myers, Harold B. and Clinton H. Thienes, The Fungicidal Activity of Certain Volatile Oils and Stearoptenes.
12. Manuscript: Myers, Harold B., "The Comparative Toxicity of Certain Volatile Oils Toward Pathogenic Yeasts"

13. Manuscript: Myers, Harold B., "The Comparative Toxicity of Certain Volatile Oils Toward Pathogenic Yeasts"
14. Manuscript: Myers, Harold B., "The Comparative Toxicity of Certain Volatile Oils Toward Pathogenic Yeasts"
15. Manuscript: "The Fungicidal Activity of Certain Volatile Oils and Stearoptenes"
16. Manuscript; Myers, Harold B., "The Value of Essential Oils in Treating Fungoid Infections"
17. Correspondence and Abstracts: "Comparative Fungicidal Action of Certain Volatile Oils"
18. Manuscript: "Comparative Fungicidal Action of Certain Volatile Oils"
19. Manuscript: "The Value of Essential Oils in Treating Fungoid Infections"
20. Correspondence
21. Manuscript: Myers, Harold B., "Comparative Fungicidal Action of Certain Volatile Oils"
22. Manuscript: Myers, Harold B., "Comparative Fungicidal Action of Certain Volatile Oils"
23. Note and hand constructed tables of experimental data

Folder 3

1. Manuscript: "Renal Toleration of Caffein"
2. Manuscript: "Renal Toleration of Caffein"

From a folder labeled Evidence of Systemic Interaction Between Iodine and Thiosulphate

3. Manuscript: Myers, Harold B. and Charles Ferguson "Evidence of Systemic Interaction Between Iodine and Thiosulphate"
4. Manuscript: Myers, Harold B. and Charles Ferguson, "Evidence of Systemic Interaction Between Iodine and Thiosulphate"; incomplete with a small note and some hand written experiment graph data
5. Manuscript: Ferguson, Charles, "Evidence of Systemic Interaction of Iodine and Sodium - Thiosulphate" thesis
6. Manuscript copy: "Evidence of Systemic Interaction Between Iodine and Thiosulphate"
7. Hand written copy: class schedule for 1920 second year and the same for 3rd year
8. Graphs: blood press tracing for salicylate rabbit and second unidentified tracing
9. Manuscript copy: "Evidence of Systemic Interaction Between Iodine and Thiosulphate"
10. Two copies of experiment instructions for acetone from b-oxybutyric acid plus abstract: "Marriott Modification of Scott-Wilson Method of Estimating Acetone and Di-Acetic Acid" plus 2 statements of work done in the Dept. of Pathology, one hand written and one typed

Folder 4

From a folder labeled Crossed Tolerance

1. Manuscript: "Crossed Tolerance"

From a folder titled Lack of Salicylate Action upon Acetone Metabolism

2. Manuscript: "A Case of Methyl Salicylate Poisoning"
3. Abstracts typed and handwritten in German and English
4. Experiment data, front and back, labeled as tables 4 through 9
5. Manuscript: "Lack of Salicylate Effect on the Acetone Body Content of the Blood"

6. Notebook: Rabbit Yeast Experiments

From a folder titled Cross Tolerance Caffein

7. Correspondence
8. Manuscript: "Cross Tolerance: Renal Response to Caffein and Theobromin in Rabbits Tolerant to Caffein"
9. Manuscript: "Cross Tolerance Comparative Renal Response to Theobromin and Theophyllin in Rabbits Tolerant Toward Caffein"
10. Manuscript: "Renal Toleration of Caffein"
11. Manuscript: "Renal Toleration of Caffein"
12. Manuscript: "Renal Toleration of Caffein"

From a folder titled Cross Tolerance Decreased Renal Response

13. Manuscript; Myers, Harold B., "Cross Tolerance: Decreased Renal Response to Theobromin and Theophyllin in Rabbits Tolerant Toward Caffeine"
14. Many graphs, some labeled and some mounted on paper
15. Manuscript of -"Cross Tolerance Comparative Renal Response Theobromin and Theophyllin in Rabbits Tolerant Toward Caffeine"

From an envelope marked submitted draft and corrections of Nitrate Toleration by H. B. Myers and Thomas Austin

16. Manuscript: "Nitrite Toleration" by Harold B. Myers and V. Thomas Austin
17. Two large graphs, folded
18. Manuscript; "Nitrite Toleration"
19. Graphs, 2 drafts and two smaller graphs on the same background
20. Proof correction sheets of title, references and figure descriptions, typed and handwritten
