Glow with Radiance

Rest, relax and rejuvenate your mind, body and soul with our unique cosmetic treatments. Whether you are a pre or post surgical patient or you are interested in healthy skin maintenance, our specially trained aesthetician is available Monday through Friday for skin care evaluations and treatments based on your specific skin care needs. The highest quality products are used to produce unparalleled results. Relaxed and rejuvenated, you will glow with radiance.

For more information and a complete list of therapies, call us at 503.494.6687

Plastic Surgery

Feel More Confident

Restore an all-over sense of confidence and well-being with one of our facial restoration or waxing treatments given by certified staff. Relax and let us ease away the signs of stress and aging.

European Facial | \$95

This European deep pore cleansing regenerates, revitalizes, and renews the skin cells. The treatment includes drawing out impurities from the skin with the use of steaming, a mild enzyme peel and the application of a custom made mask. A relaxing face, neck, shoulder massage along with a hand and foot treatment is included.

Waxing | \$14 – 55

For the brow, lip, chin, cheeks, bikini area, under arm and back. Please note that we cannot wax anyone currently taking Accutane, Retin-A or any other Retinal products due to skin sensitivity.

Make-up Consultation

Mineral blends powder make-up customized for our skin tone. Consultation includes jar of powder.

Plastic Surgery

Pamper your Skin

Recline, relax, and experience the gentle exfoliates and cool sensations of our unique skin therapies.

Skin Smoothing, Oil Control Peel | \$120

Repair and reduce breakouts, control oil production and provide a more even, smooth skin texture.*

Anti-Aging Peel | \$125

Strengthen mature skin with a deep hydrating treatment, enhancing your natural moisture barrier for smooth, cool and supple skin. Targets dehydration and sun damage.*

Sensitive Skin Peel | \$120

Ideal for extremely sensitive and/or ethnic skin. Gently strengthens and brightens skin while treating sun damage and inflammation.

Clarifying Mask | \$80

20% salicylic acid blended with natural antibacterial and anti-inflammatory agents to improve breakout-prone skin.

Pumpkin Peel | \$85

Powerful anti-oxidant treatment that rejuvenates the skin. Pumpkin naturally contains salicylic acid, vitamin A, vitamin C, beta-carotene that help exfoliate the skin while adding nutrition and hydration.

Oxygen Treatment | \$85

* Promotes brightness and circulation.

Consultation | \$45

** For your first chemical peel, a consultation may be required.

Peel Packages

Free 5th treatment after purchasing four of equal or lesser value.
