Graduate Council

The Graduate Council oversees all graduate programs in the School of Medicine and advises the Dean on all matters related to graduate education. The Associate Dean for Graduate Studies convenes the Council, which includes faculty representatives from all graduate programs and two student representatives selected by the Graduate Student Organization (see listing below). The Council meets monthly from September to June. Meeting minutes are regularly posted on the Graduate Council website at <http://www.ohsu.edu/xd/education/schools/school-of-medicine/academic-programs/graduate-studies/faculty/graduate-council.cfm>

By-Laws of the Graduate Council

Policies and procedures that apply to all graduate programs are described in the By-Laws, including such matters as: grading, standards of academic performance, academic probation, general degree requirements, time limits, oral examination procedures, dismissal/suspension procedures, and student grievance procedures. The document can be found on the Graduate Studies website at <http://www.ohsu.edu/xd/education/schools/school-of-medicine/academic-programs/graduate-studies/faculty/upload/bylaws.pdf>

Guidelines and Regulations for Completion of Master's and Ph.D. Degrees

The most recent guidelines can be viewed or downloaded at <http://www.ohsu.edu/xd/education/schools/school-of-medicine/academic-programs/graduate-studies/students/upload/Guidelines-8-2008-rev-7-2009.pdf>

Stipend Policy

The Graduate Council is responsible for recommending the allowable annual stipend range, which must be approved by the Dean each year. The full Stipend Policy is posted on the Graduate Studies website http://ozone.ohsu.edu/som/faculty/docs/graduatecouncil/stipend_policy_2008.pdf

Vacation & Sick Leave Policy

This policy is posted on the Graduate Studies website <http://ozone.ohsu.edu/som/faculty/docs/graduatecouncil/studentleavepolicy.pdf>

Professional Conduct Policy

The Graduate Council has established a policy that outlines expectations for professional behavior of graduate students in the School of Medicine. These guidelines were developed to enhance the students' training, maximizing the benefits to their profession and society, and to minimize actions that do not benefit the greater good and only selfishly serve the individual. The policy describes several examples of meritorious student behavior. It also defines unacceptable conduct and the procedures for addressing allegations of unacceptable conduct by students. The policy can be found on the Graduate Studies website at <http://ozone.ohsu.edu/som/faculty/docs/graduatecouncil/profconductpolicy.pdf>.

Individual Program Policies and Procedures

In addition to the policies and procedures established by the Graduate Council, each graduate program has specific requirements, regulations and procedures. Information about specific program requirements should be obtained from the faculty director or administrative coordinator for the student's program.

Student Awards

The Graduate Studies Program gives four awards each year that recognize outstanding accomplishments by graduate students. The **Outstanding Paper Award** recognizes a paper authored or co-authored by graduate student. The award is presented at the annual Student Research Forum. The **Outstanding Dissertation Award** recognizes an outstanding Ph.D. dissertation and is awarded at the School of Medicine Hooding Ceremony. The **Outstanding Thesis Award** recognizes an outstanding Master's thesis and is awarded at the School of Medicine Hooding Ceremony. Finally, the **Alliance Award** is given to an enrolled Ph.D. student in recognition of academic accomplishment and leadership qualities as well as current and potential contributions to the community and society. This award is given at the Spring Luncheon sponsored by the School of Medicine Alliance.

General Stipend Information for SOM Ph.D. Graduate Students

Monthly Payments

Graduate students eligible for stipends will receive a single monthly payment from the OHSU Accounts Payable (AP) office equal to 1/12 of their total annual payment. The checks will be issued by AP about 5 business days before the end of every calendar month. These checks will be mailed to the student's home address. However, a student may request direct deposit to the student's bank account. Questions regarding stipends should be directed to the student's program coordinator, questions regarding stipend checks should be directed to Jeff Deboj in Accounts Payable at debooj@ohsu.edu, or 503-494-2152.

The Direct Deposit Enrollment for GRE Support or Stipend Payments form can be found on the website at: <http://www.ohsu.edu/xd/education/schools/school-of-medicine/academic-programs/graduate-studies/faculty/upload/NetDirectDeposit.pdf>

Stipend Payment Dates for 2009-2010

Direct deposits will be available and paper checks will be mailed on these dates:

24 July 2009	22 January 2010
25 August 2009	19 February 2010
25 September 2009	23 March 2010
23 October 2009	23 April 2010
24 November 2009	25 May 2010
22 December 2009	22 June 2010

Tax Reporting and Tax Liability

Please note that the information in this section is *informational* only. It should not be construed as tax or legal advice.

OHSU does not issue W-2 or 1099 forms for payments made to students through Accounts Payable. Even though OHSU is not required to report these payments to the IRS, students may still be liable for paying taxes on this income. Furthermore, students who expect to have a tax liability may be required to make estimated tax payments to the IRS on a quarterly basis. Students who are uncertain about their tax liability or the need to make such payments should consult relevant IRS publications or a qualified tax advisor.

Students should note that, according to *IRS Publication 970*, the only types of scholarship or fellowship payments that might be considered tax-free are those made for payment of tuition, fees, books, supplies or equipment. Payments made to cover living expenses such as room and board are considered taxable. *IRS Publication 970* can be downloaded in PDF format from the IRS website at <http://www.irs.gov/app/picklist/list/publicationsNoticesPdf.html>

Accounts Payable will contact foreign national GRAs to determine whether they can request a tax treaty exemption from back-up withholding. If not, OHSU will do back-up withholding and issue a Form 1042 at year's end.

Address Changes

Students should change their address in ISIS as well as notifying their program coordinator and Jeff Deboo in Accounts Payable at debooj@ohsu.edu.

Mandatory Institutional Training for Graduate Students

OHSU and the School of Medicine require that all graduate students complete several different types of training as soon as possible after matriculation. Failure to complete this training in a timely manner may be considered grounds for disciplinary action under the Professional Conduct Policy.

Institutional Training Record		
<i>Description</i>	<i>Mandatory</i>	<i>Date Completed</i>
Responsible Conduct of Research	Yes	
HIPAA Privacy Education	Yes	
A Higher Standard: OHSU Respect at the University	Yes	
Research Laboratory Safety Training	Yes	
Radiation Safety Training	Yes, if you work with radioactive materials	
Dept. of Comparative Medicine Animal Handling Classes	Yes, if you work with animals	

INTEGRITY OFFICE – Integrity Education

<http://www.ohsu.edu/xd/about/services/integrity/training/index.cfm>

Responsible Conduct of Research (RCR) Training

In compliance with federal regulation and OHSU institutional policy, all investigators, research staff, and other relevant personnel (those reasonably involved in the design and/or conduct of human, animal, applied and/or basic science research) must complete OHSU's Responsible Conduct of Research (RCR) education. No activity resulting in data collection can be initiated or any human subjects enrolled until all key personnel have completed the required RCR modules.

HIPAA Training

As part of the HIPAA privacy standards, OHSU is required to educate all members of its workforce on how HIPAA will affect their role here. Our workforce includes all employees, students, faculty, staff, and volunteers, and may also include certain visitors. HIPAA training must be completed before computer access or physical access to areas containing protected health information (PHI) is granted or within 30 days of beginning duties at OHSU, whichever is sooner. Those who fail to meet this requirement are subject to corrective action, up to and including termination of their relationship with OHSU.

A Higher Standard: OHSU Respect at the University

Everyone at OHSU, including employees, students, faculty, and volunteers, is required to complete the Respect at the University education. Federal and state courts have ruled that employers are compelled to train their workforce on the prohibitions of discrimination and harassment in the workplace. Furthermore, pursuant to OHSU policies, discrimination based on certain categories is strictly prohibited. This course is one of several mechanisms used to disseminate OHSU's expectations in order to prevent prohibited discrimination and harassment at the university. As OHSU's Code of Conduct expresses, respectful behavior is an expectation of all

Research Laboratory Safety Training

Information on completing a computerized lab safety-training module will be provided as part of CONJ 650.

Radiation Safety Training

Radiation safety training is required for radioactive material handlers within 60 days of initial use of radioactive material.

Animal Handling Classes

OHSU recognizes the vital role of animals in biomedical research. The Department of Comparative Medicine serves scientists and assures animal well-being. Our veterinarians, technicians and support personnel are dedicated to the humane and ethical use of laboratory animals. Register on-line for the next available animal handling classes at the following URL:

ITG is responsible for the operation of computer systems, networks and supported applications on campus. The ITG Help Desk offers support in connecting to and using OHSU information services, Monday - Friday from 6 a.m. to 6 p.m.

Registrar and Financial Aid Office

If you need financial assistance to attend OHSU, please visit the Financial Aid Office, Mackenzie Hall, and room 1120. Federal aid applications are available beginning in December and should be received by the federal processor by March 1 to qualify for priority processing. Late applications are accepted, but funding may be exhausted in some programs. Additional information can be found in your school catalog and the OHSU publication, Student Financial Aid Explained, available in the Financial Aid Office.

The Registrar's Office services include registration for courses, grade reports and official transcripts. It is particularly important that students register for courses by the term deadlines listed in the academic calendar. The Registrar and Financial Aids office also receives requests for financial aids and deferral of student loans. It should be noted that many actions that affect student status are initiated at the program level before being officially recorded by the Registrar. These actions include change of grade, advancement to candidacy, request for oral exam and leave of absence. Graduate Studies Coordinators within each department can assist students with these procedures and other requests.

The Samuel L. Diack Library's collections in biomedical engineering, computer science, electrical engineering, environmental sciences, biochemistry, molecular biology, and management science include more than 27,000 monographic titles in these areas. Approximately 9,000 of that number are electronic books in the areas of IT and business. As a campus of OHSU, patrons have access to the combined journal holdings of over 9,000 serials; the majority of these are available electronically.

Identification Cards

<http://ozone.ohsu.edu/pubsafety/id/>

As a student, your OHSU photo identification will be issued with the assistance of your program. Cards are to be worn conspicuously while on campus. You may be asked to show your id card at any time. Quarterly validation of tags is automatic when students complete registration and pay required fees. Lost, stolen or damaged cards must be reported to Public Safety immediately at 503-494-7744. All requests for new or reissued ID Cards must be signed by either Program Department or Graduate Studies. The Parking/Public Safety office will not issue cards without the proper paperwork and signatures. A fee will be assessed for reissues, this is normally payable by the student.

Tri-Met Pass

Graduate students may purchase discounted Tri-Met passes at the parking office. For more information contact the OHSU Parking Office at parking@ohsu.edu or see the website at <http://ozone.ohsu.edu/parking/>. Graduate students will need to pay for the full price of the pass at the time the pass is received. Payment can be in cash, check or card.

Parking

Student Government

School of Medicine Graduate Student Organization

<http://ohsugso.blogspot.com/>

E-mail: somgso@ohsu.edu

The Graduate Student Organization (GSO) is composed of graduate students from all graduate programs within the OHSU School of Medicine. The GSO provides a forum for students to exchange ideas, address student needs and concerns, keep students informed of issues relevant to graduate student life on campus and foster a sense of community among the students. Typical activities include a reception in the fall to welcome new graduate students and a student retreat off-campus. A president is elected each year to lead the group, and meetings usually take place twice per term (except summer term).

All-Hill Council

<http://www.ohsu.edu/xd/education/student-services/student-life/ohsu-student-council/>

The All-Hill Council comprises OHSU's student body government. Each school contributes members to the council. Graduate students elect a representative. A president, vice president, secretary and treasurer are elected in May from among members of the council for the following year. Officers are paid a small honorarium for their time and effort.

International Students

Office of International Services

<http://www.ogi.edu/admissions/immigration/>

The Office of International Services provides immigration advice and services to international students, employees and visitors. The Office also advises academic departments and hiring managers on education and employment-related immigration regulations and procedures. The International Handbook can be found on the Office of International Services web page.

Graduation

Degree Award Dates

OHSU awards diplomas for the term that degree requirements are completed. The degree requirements can be fulfilled at any time during the academic year.

Degrees will not be awarded until all academic requirements have been met and the student pays all debts and discharges all other obligations. The academic requirements can be found in the Guidelines and Regulations for Completion of Master's and PhD Degrees online at <http://www.ohsu.edu/xd/education/schools/school-of-medicine/academic-programs/graduate-studies/faculty/administration-forms.cfm>
