

CURRICULUM VITAE

Donald B. McConnell, M.D.

Position: Section Chief, General Surgery
Veterans Administration Medical Center
Portland, OR 97201

Academic Rank: Professor of Surgery, Oregon Health Sciences University

Phone: 503.220.8262, Ext. 5-6897
Fax: 503.220.3415

Education and Academic Degrees

Bachelor of Arts: University of Oregon, Honors College, 1964
Eugene, Oregon

Doctor of Medicine: University of Oregon Medical School, 1968
Portland, Oregon

Rotating Internship: Denver General Hospital, 1968–69
Denver, Colorado

Residency: General Surgery, 1971-76
Oregon Health Sciences University

Board Certification: American Board of Surgery, July 1, 1977
Recertified: 1987, 1997, 2006
Special Certificate in Surgical Critical Care, 1989
Recertified: 1998

State License: Oregon

Organizations: Portland Surgical Society, 1977
Portland Vascular Society, 1977
North Pacific Surgical Association, 1981
Fellow, American College of Surgeons, 1982
Pacific Coast Surgical Association, 1983
Association of VA Surgeons, 1986
Oregon Society of Critical Care Medicine, 1989
American Society of Bariatric Surgery, 1997

Military Service: US Army Medical Corp, Captain, 1969-71
101st ABN Division, Repub. of Viet Nam, 1969-70

Ireland Army Hospital, Ft. Knox, KY, 1970-71

Honors and Awards: Gold Crutch Award: Teaching Award: Surg Chief Residents
Alpha Omega Alpha, 1998
Teaching Award: Surgery Chief Residents, 1999-2000
Surgery Alumnus Award, June 2002

Offices and Committees

1977-2002	Hospital Infection Control Committee Portland VA Medical Center
1983, 1997	Chairman, Program Committee Oregon Chapter, American College of Surgeons
1984-85	Local Arrangements Committee North Pacific Surgical Association Meeting
1984-86	Faculty Council, OHSU
1985-90	Chairman, Integrated Residency Committee OHSU, Department of Surgery
1986-91	Departmental Review Committee
1988-89	President, Portland Vascular Society
1990-94	Chairman, Surgical Case Review Committee, OHSU
1988-92	Chairman, Nominating Committee Oregon Chapter, American College of Surgeons Council Member Oregon Chapter, American College of Surgeons
1991, 1996	Guest Examiner American Board of Surgery
1991-97	Member, Institutional Review Board OHSU, Committee on Human Studies
1992-94	Improvement Leadership Team Portland VA Medical Center
6/3/92-8/21/92	Acting Chief, Surgical Service Portland VA Medical Center

1993-2003	Chairman, Invasive Procedure Committee Portland VA Medical Center
1993-Present	Councilor Oregon Chapter, Society of Critical Care Medicine
1996, 98	Program Co-Chair Oregon Chapter, Society of Critical Care Medicine
1997-98	President Oregon Chapter, Society of Critical Care Medicine
2001-Present	Treasurer, Oregon Society of Critical Care Medicine
2006-2009	Recertification Examination consultant, The American Board of Surgery
2006	Principal Investigator: Longitudinal Assessment of Bariatric Surgery

Special Courses

1986	Lasers in Surgery
1986	Advanced Trauma Life Support, Instructor Course Recertified: 1989, 1993, 1997, 2001, 2005
1992	Total Quality Management: National Convention Louisville, KY
1992	TQI Course VA, Reno, Nevada
1992	TQI Course OHSU

PRESENTATIONS

1. One-stage perineal repair for rectal prolapse. Oregon Chapter, American College of Surgeons, 1976.
2. Pancreatic resection for chronic relapsing pancreatitis. Portland Surgical Society, 1977.
3. Hypophosphatemia in surgical patients. Portland Surgical Society, 1978.
4. HIDA scans in the diagnosis of jaundice. Oregon Chapter, American College of Surgeons, 1979.
5. Experience with total pancreatectomy. North Pacific Surgical Association, Nov 1979.
6. Rectal Cancer. OHSU, Department of Surgery Post Graduate Course, Dec 1979.
7. Experience with colovesical fistula. Pacific Coast Surgical Association, Feb 1980.
8. Pancreatic pseudocyst. Portland Surgical Society, May 1981.
9. Difficult and re-operative abdominal surgery: Pancreatic pseudocyst. OHSU, Division of Continuing Medical Education, Portland, Oregon, Mar 1982.
10. Pancreatic pseudocyst. North Pacific Surgical Society, Vancouver, B.C., Nov 1981.
11. Difficult and re-operative surgery: Esophageal stricture. OHSU, Division of Continuing Medical Education, Portland, Oregon, Mar 1982.
12. Circuit Course: Nutritional support in the cancer patient. American Cancer Society, 1982.
13. Catheter drainage of intra-abdominal abscess. Portland Surgical Society, 1982.

14. Pancreatic abscess: An unresolved surgical problem. Oregon Chapter, American College of Surgeons, Salishan, Oregon, Oct 1982.
15. Percutaneous abdominal abscess drainage: Portland area experience. North Pacific Surgical Association, Spokane, Washington, Nov 1982.
16. Percutaneous abdominal abscess drainage. Infection Disease Conference, Portland VA Medical Center, January 6, 1983.
17. Complex and controversial issues in multiple system trauma: Principles of critical care in the multiple system trauma patient. OHSU, Division of Continuing Education, Portland, Oregon, March 5 1983.
18. Problems in Surgery: Gastrointestinal malignancies. Pancreatic carcinoma: The role of surgery. OHSU, Division of Continuing Education, Portland, Oregon, March 2, 1984.
19. Chronic Pancreatitis: Often more than pancreatic duct obstruction. 37th Annual Meeting of the Portland Surgical Society, Red Lion, Portland, Oregon, May 11, 1984.
20. Difficult problems in surgery: Critical surgical illness. Hyperalimantation in specific organ failure. OHSU, Division of Continuing Education, Portland, Oregon, March 1, 1985.
21. Total parenteral nutrition: An update. Medical Staff, Veterans Administration Medical Center, Spokane, Washington, February 26, 1986.
22. Hepatic resection: Comparison of ultrasonic tissue dissector with standard resection techniques. Oregon Chapter, American College of Surgeons, Bend, Oregon, 1985.
23. Peptic ulcer disease. OHSU, Continuing Medical Education Program, Department of Surgery, 1988.
24. Repair of massive ventral hernias. Oregon Chapter, American College of Surgeons, Sun River, Oregon, Sept 1987.
25. Preoperative assessment of fitness score as applied to current results of peptic ulcer surgery. Montana-Wyoming American College of Surgeons Annual Meeting, Big Sky, Montana, 1988.
26. New critical care technology. OHSU, Department of Surgery Post Graduate Course, Mar 1989.
27. Combined nephrectomy and aortic surgery. Presentation given at Northwest Vascular Society, Seattle, Washington, Nov 1990.

28. The vascular patient in the ICU: Special considerations. OHSU, Department of Surgery Post Graduate Course, March 2, 1991.
29. New modes of mechanical ventilation. OHSU, Surgery Grand Rounds, May 1991.
30. Hollow viscus injury. OHSU, Department of Surgery Post Graduate Course, 1992.
31. Duodenal trauma: A 3-year OHSU experience. Portland Surgical Society, 1992.
32. ATLS Course Instructor. Klamath Falls, Oregon, June 1992.
33. ATLS Course Instructor. OHSU, Feb 1992.
34. ATLS Course Instructor. OHSU, Mar 1993.
35. Penetrating neck trauma: Vascular injuries. OHSU, Department of Surgery Post Graduate Course, Mar 1993.
36. Acute Abdomen and hypothermia. Grand Rounds, Roseburg VA Hospital, June 1993.
37. ATLS Course Instructor. OHSU, June 1993.
38. Special problems with ventral hernia repair. OHSU, Surgery Grand Rounds, April 18, 1994.
39. Discussion of chronic pancreatitis case. OHSU, Medicine Grand Rounds, April 19, 1994.
40. A review of inguinal hernia experience at the Portland VA Medical Center. Portland Surgical Society, May 20, 1994.
41. The "How to" of inotropic drugs. OHSU, Surgery Post Graduate Course, Mar 1994.
42. Surgery for morbid obesity: What's new in the fat patch? OHSU, Surgery Grand Rounds, January 30, 1995.
43. ARDS and mechanical ventilation. OHSU, Surgery Post Graduate Course, March 3, 1995.
44. Geriatric trauma protocol. OHSU, Surgery Grand Rounds Debate, Oct 1995.
45. Recurrent inguinal hernia. OHSU, Surgery Grand Rounds, May 3, 1997.
46. The supraceliac clamp. OHSU, Vascular Surgery Grand Rounds, May 3, 1997.

47. Quality of life. OHSU, Vascular Surgery Grand Rounds, 1998.

48 Medical and Surgical Care of the Obese Patient: CME course sponsored by Peace-Health, Longview Wa November 2001

49 Laparoscopic Bariatric Surgery Workshop, OHSU May 2-3, 2002 Topic: Physiology of Obesity

50 Surgery Grand Rounds, OHSU, March 17, 2003, "Bariatric Surgery

51 Medicine Grand Rounds, OHSU, October 14, 2003, "Bariatric Surgery"

52 AORN Symposium on Bariatric Surgery, October 2003 , The open approach to Bariatric Surgery

53 NPSA paper "Gastric Bypass Results in the same weight loss as duodenal switch" November 2003

54 NPSA Discussant: Conversion of failed bariatric procedures to Resectional Gastric Bypass: a case match analysis, November 2003 (Discussion published in the American Journal of Surgery, 187: 670-71, 2004)

55 Guest speaker: 35th Annual FP Review Course, Feb 2-6, 2004,"Bariatric Surgery: Options in 2004

56 ATLS Instructor, March 19, 2004, OHSU : Shock and skill station

57 Guest Speaker: Internal Medicine Review Course, April 9, 2004,"Current options in Bariatric Surgery"

58 Paper presentation, North Pacific Surgical Association, Tacoma, Wn, Nov 12-13, 2004, "Outcome of Biliopancreatic Diversion and Biliopancreatic Diversion with Duodenal Switch based on Common Channel Length"

59 Paper Discussant: Androgen Receptor, Pommier et al, North Pacific Surgical Association, November 2005, Vancouver Canada.

60 ATLS Course Instructor, 3/22/08
