

**CURRICULUM VITAE
OREGON HEALTH & SCIENCE UNIVERSITY**

NAME	Bruce M. Wolfe, MD	DATE	6/12/08
-------------	---------------------------	-------------	----------------

PRESENT POSITION AND ADDRESS

Academic Rank:	Professor of Surgery
Department:	Department of Surgery, Division of General Surgery
Professional Address:	General Surgery, BTE223 3181 SW Sam Jackson Park Rd Portland, OR 97239

II. EDUCATION

Undergraduate and Graduate (Include Year, Degree, and Institution):

1963	BS	Stanford University
1967	MD	St. Louis University School of Medicine

Postgraduate (Include Year, Degree, and Institution):

1967–1973	St. Louis University School of Medicine
1975–1977	Research Fellow in Surgery Harvard Medical School Peter Bent Brigham Hospital Boston, Massachusetts

Certification (Include Board, Number, Date, and Recertification):

American Board of Surgery (Certificate #20259) 1974

Licenses (Include State/Date/Status/Number/Renewal Date):

California
Missouri
Oregon

III. PROFESSIONAL EXPERIENCE

Academic (Include Year, Position, and Institution):

1973 – 1975	LCDR, MC, USNR, Naval Regional Medical Center Camp Pendleton, California
1977 – 2005	Assistant, Associate, Professor of Surgery University of California, Davis, School of Medicine Sacramento, California
1986 – 2003	Chief, Gastrointestinal Surgery Service University of California, Davis, Medical Center Sacramento, California
2003 – 2005	Surgeon Mercy San Juan Medical Center, Carmichael, CA
2003 – Pres	Emeritus Professor of Surgery University of California, Davis
2005 – Pres	Professor of Surgery

Administrative (Include Year, Position, and Institution):

IV. SCHOLARSHIP

Area(s) of Research/Scholarly Interest:

Grants and Contracts:

Federal (Include Title, Source, PI, Amount Period, and % Effort)

1. Branched Chain Amino Acid Infusion in Trauma-National Institutes of Health: #1R23 GM 26943-01
Principal Investigator: Bruce M. Wolfe, M.D.
Period of Grant: 1979 - 1982
Amount of Support: \$90,000 (Direct costs)

2. Clinical Nutrition Research Unit: Clinical Support Core -National Institutes of Health: #1 P30 AM35747
Principal Investigator: Charles Halsted, M.D.
Co-Investigator: Bruce M. Wolfe, M.D.
Period of Grant: 1985 - 2004
Amount of Support: \$759,190.00
Title (pilot project): Efficacy of Intravenous Fat Emulsion in Adults with Respiratory Distress Syndrome

3. "Bariatric Surgery Clinical Research Consortium" -National Institutes of Health, #1 UO1 DK066555-01
Principal Investigator and Consortium Co-Chair: Bruce M. Wolfe, M.D.
Co-Investigators: Peter Havel, DVM, Ph.D.
Craig Warden, Ph.D.
Collaborators: Lars Berglund, M.D., Ph.D.
Charles Halsted, M.D.
Nancy Keim, Ph.D.
Judith Stern, Ph.D.
Marta Van Loan, Ph.D.
Period of Support: 9/30/03-8/31/05
Amount of Support: \$1,625,000.00

4. "Bariatric Surgery Clinical Research Consortium" – National Institutes of Health, U01 DK06644-04
Principal Investigator and Program Director: Bruce M. Wolfe, MD
Co-Investigators: Deveney, Clifford W., MD
O'Rourke, Robert MD
Patterson, Emma MD
Purnell, Jonathan MD
Collaborators: Jan, Jay MD
Hong, Dennis MD
Katherine Elder, PhD
Period of Support: 9/1/05-8/31/08
Amount of Support: Year 5 (9/1/07 - 8/31/08); \$1,076,482.00

5. Bariatric Surgery Clinical Research Consortium: Energy Expenditure and Gastric Bypass, Ancillary Studies to Obesity-Related Clinical Trials – National Institutes of Health #RFA-DK-03-022
Principle investigator: James Levine, MD (Mayo Clinic, Rochester NY)
Co-investigator: Bruce M. Wolfe, MD (Oregon Health & Science University, Portland)
Deveney, Clifford W., MD
O'Rourke, Robert MD
Patterson, Emma MD (Legacy Good Samaritan Hospital, Portland)

	Jan, Jay MD
	Hong, Dennis MD
Period of Support:	6/1/06 – 4/30/2010
Amount of Support:	\$310,680.00

6. Bariatric Surgery Clinical Research Consortium: Psychological Issues in Bariatric Surgery, Research Supplement to Promote Diversity in Health-Related Research. National Institutes of Health – 3 U01 DK066555 04S1

Principle Investigator:	Katherine Elder, PhD (Oregon Health & Science University, Portland OR)
Co-investigator:	Bruce M. Wolfe, MD
Period of Support:	1/01/07 – 8/31/08
Amount of Support:	\$248,870.00

7. Bariatric Surgery Clinical Research Consortium: Bariatric Surgery and Diabetes, Sub-study to Obesity-Related Clinical Trials. National Institutes of Health.

Principle investigator:	Jonathan Purnell, MD (Oregon Health & Science University, Portland OR)
Co-investigator:	Bruce M. Wolfe, MD
Period of Support:	9/30/07 – 9/29/08
Amount of Support:	\$314,637

Other Support (Include Title, Source, PI, Amount Period, and % Effort)

1. Branched Chain Amino Acid Study -Abbott Laboratories

Principal Investigator:	Bruce M. Wolfe, M.D.
Period of Grant:	1981
Total Amount of Award:	\$13,302.23
2. Efficacy of Early Postoperative Enteral Feeding-Mead Johnson Laboratories:

Principal Investigator:	Bruce M. Wolfe, M.D.
Period of Grant:	1982 - 1984
Total Amount of Award:	\$21,000
3. Efficacy of Tube Feeding in Respiratory Insufficiency: CHO v. Fat. -Mead Johnson Laboratories:

Principal Investigator:	Bruce M. Wolfe, M.D.
Period of Grant:	1986 - 1987
Total Amount of Award:	\$20,000
4. Minimally Invasive Surgery Training Program-Ethicon Endo-Surgery #92-01566V

Principal Investigator:	Bruce M. Wolfe, M.D.
Period of Support:	January 1, 1990 - December 31, 1994
Amount of Support:	\$403,194.00
Unrestricted gift	
1992-1993	\$35,000.00
1994	\$30,000.00
5. Unrestricted gift - Ross Laboratories

1992-1993	\$25,000.00
-----------	-------------
6. “CO2 Versus Air for Intraluminal Insufflation During Endoscopic Assisted Laparoscopy” American Women Surgeons

Principal Investigator:	Alicia Silva, M.D.
Co-investigator:	Bruce M. Wolfe, M.D.
Period of Support:	November 1, 1996 – July 31, 1997

Amount of Support: \$25,000.00

7. Education and Training Grant in Support of UCDCM

“Center of Excellence” Minimally Invasive Surgery Center -United States Surgical Corporation

Principal Investigator: Ninh T. Nguyen, M.D.

Co-Principal Investigator: Bruce M. Wolfe, M.D.

Period of Support: 9/30/1998-9/30/2003

Amount of Support: \$1,866,650.00

State and Local (Include Title, Source, PI, Amount Period, and % Effort)

1. “Endocrine & Metabolic Markers of Gastric Bypass Success” -UC Davis Health System

Principal Investigator: Bruce M. Wolfe, M.D.

Co-Investigator: Peter Havel, DVM, Ph.D.

Mohammed Ali, M.D.

Period of Support: 7/01/03-6/30/04

Amount of Support: \$150,000.00

Publications/Creative Work:

Invited Lectures, Conference Presentations or Professorships:

International and National

1. 1972 "Intestinal Fistula Output in Regular, Elemental and Intravenous Alimentation." Southwestern Surgical Congress, Albuquerque, New Mexico.
2. 1973 "Malignant Hyperthermia of Anesthesia." Southwestern Surgical Congress, Scottsdale, Arizona.
3. 1973 "Modification of Intestinal Fistula Output by Elemental Diet and Intravenous Alimentation." Surgical Forum, American College of Surgeons, Chicago, Illinois.
4. 1974 "The Effect of an Intraduodenal Elemental Diet on Pancreatic Secretion." San Diego Chapter, American College of Surgeons, San Diego, California.
5. 1976 "The Effect of Glucose on the Nitrogen Sparing Effect of Intravenous Amino Acids." Tripartite Meeting, Society of University Surgeons, Philadelphia, Pennsylvania.
6. 1976 "The Effect of Glucose on the Nitrogen Sparing Effect of Intravenous Amino Acids." Surgical Forum, American College of Surgeons, Chicago, Illinois.
7. 1977 "Substrate Interaction in Intravenous Feeding." American Surgical Association, Boca Raton, Florida.
8. 1978 "The Scientific Basis of Surgical Nutrition." Southern California Chapter, American College of Surgeons, Santa Barbara, California.
9. 1978 "Intermittent versus Continuous Elemental Diet." American Society for Parenteral and Enteral Nutrition, Houston, Texas.
10. 1978 Moderator: Short Papers - "Clinical Nutrition." American Society for Parenteral and Enteral Nutrition,

Houston, Texas.

11. 1979 "Branched Chain Amino Acid Infusion in Normal Man." American Society for Parenteral and Enteral Nutrition, Boston, Massachusetts.
12. 1979 Moderator: Short Papers - "Basic Metabolism." American Society for Parenteral and Enteral Nutrition, Boston, Massachusetts.
13. 1979 "BCAA and Protein Metabolism." Bay Area Nutrition Group, San Francisco, California.
14. 1979 "Nutrition and Cancer." St. Louis University, St. Louis, Missouri.
15. 1979 "Substrate Interactions." Stafford Symposium, Loma Linda University, Loma Linda, California.
16. 1979 "Surgical Management and its Complications: The Approach." Department of Internal Medicine Postgraduate Course on Obesity: Risks, Treatments and Complications, Sacramento, California.
17. 1979 "Substrate - Endocrine Interactions and Protein Metabolism." International Symposium at the University of Copenhagen, Denmark.
18. 1980 "Nutrition Before Surgery." Medical Evaluation of the Preoperative Patient, Lake Tahoe, California.
19. 1980 Moderator: Short Papers. American Society for Parenteral and Enteral Nutrition, Chicago, Illinois.
20. 1980 "Indications and Management of Nutritional Support." Evaluation of the Trauma Patient, Rancho Murieta, California.
21. 1980 "Organization of Nutritional Support Service." University of Nebraska Postgraduate Course, Omaha, Nebraska.
22. 1980 "Effects of Branched Chain Amino Acid or Ketoacid Infusion In Vivo." International Symposium on Branched Chain Amino Acids, Kiawka Island, South Carolina.
23. 1981 "Enteral Techniques of Nutritional Support." Nutrition Symposium - Current Concepts in Clinical Nutrition, St. Louis University Medical Center, St. Louis, Missouri.
24. 1982 "Use of ¹⁵N in Protein Turnover Studies." ASPEN, Sixth Clinical Congress, San Francisco, California.
25. 1982 "Branched Chain Amino Acid Metabolism." ASPEN, Clinical Congress, San Francisco, California.
26. 1982 Moderator and Course Chair: "Biochemistry in Clinical Nutrition." ASPEN Clinical Congress, San Francisco, California.
27. 1982 "Panel on Surgical Nutrition." American College of Surgeons, Spring Meeting, Phoenix, Arizona.
28. 1982 "Preoperative Nutritional Evaluation and Management of Pre- and Postoperative Patients." Medical Evaluation of the Preoperative Patient, Monterey, California.
29. 1982 "Metabolic Response to Stress." Nutritional Support '82, University of Toronto, Toronto, Ontario, Canada.
30. 1983 "Experience with Home Parenteral Nutrition." Pacific Coast Surgical Association, Seattle, Washington.

31. 1983 "Nutrition Before Surgery." Preparing for Surgery: Symposium on Medical Evaluation of the Preoperative Patient, University of California, Davis, Medical Center, Sacramento, California.
32. 1983 "Nutrition Before Surgery." American College of Physicians, Monterey, California.
33. 1984 "Health Care Reimbursement and Legal Problems Related to Nutritional Support: A Physician's Perspective." American Society of Parenteral and Enteral Nutrition Clinical Congress, Las Vegas, Nevada.
34. 1984 "Parenteral Home Care." Workshop, HCFA / Blue Cross, Denver, Colorado.
35. 1984 "A Surgeon's View of the Preoperative Patient." American College of Physicians, Postgraduate Course, Monterey, California.
36. 1984 "Nutrition Before Surgery." American College of Physicians, Postgraduate Course, Monterey, California.
37. 1985 "Administrative and Clinical Considerations Between a University and a Commercial Provider." American Society for Parenteral and Enteral Nutrition Clinical Congress, Miami, Florida.
38. 1985 "Efficacy of Early Postoperative Jejunal Feeding." Pacific Coast Surgical Association Meeting, Monterey, California.
39. 1985 "Comparison of Enteral and Parenteral Nutrition." Society of Parenteral Alimentation, Boca Raton, Florida.
40. 1985 "Effects of TPN on Hepatic Histology." Society of Parenteral Alimentation, Boca Raton, Florida.
41. 1985 "Effects of Fat Emulsion Infusion in ARDS." Clinical Nutrition Group, Albany Medical College, Albany, New York.
42. 1985 "Nutrition in Trauma, Sepsis, Respiratory Failure." American Society of Parenteral and Enteral Nutrition, Postgraduate Course, San Francisco, California.
43. 1985 "Nutrition in the Intensive Care Unit." American Society of Parenteral and Enteral Nutrition, Postgraduate Course, San Francisco, California.
44. 1985 "Dietary Management and Evaluation of Pulmonary Patients." American College of Chest Physicians Symposium, Sacramento, California.
45. 1985 "Nutritional Management of the Hypermetabolic Patient." American College of Chest Physicians Symposium, Sacramento, California.
46. 1985 "Ethical Issues and Economic Considerations in Clinical Nutrition." Nutritional Support Symposium, Letterman Army Medical Center, San Francisco, California.
47. 1985 "Vascular Access for Nutritional Support." Nutritional Support Symposium, Letterman Army Medical Center, San Francisco, California.
48. 1986 "X-ray Viewing for Central Venous Catheter and Enteral Feeding Tube Placement." American Society for Parenteral and Enteral Nutrition, 10th Clinical Congress, Dallas, Texas.
49. 1986 "Complications of Parenteral Nutrition." Pacific Coast Surgical Association Meeting, Honolulu, Hawaii.

50. 1986 "Effect of Fatty Acids (FFA) on Glucose Oxidation." American Society for Clinical Nutrition, Washington, D.C.
51. 1986 "Nutrition in the Trauma Patient." Northern California Chapter of the American College of Surgeons, San Francisco, California.
52. 1986 "Effect of Intravenous Feeding on the Liver of Normal Man." Triennial Joint Meeting of the AIN, ASCN, CSNS, Davis, California.
53. 1986 "Nutrition Before Surgery." Preparing for Surgery: Medical Evaluation of the Preoperative Patient at the American College of Physicians Postgraduate Course, Monterey, California.
54. 1986 Moderator - Surgical Forum: "Nutrition." American College of Surgeons Clinical Congress, New Orleans, Louisiana.
55. 1986 "The Effects of Intravenous Fat Emulsion on Pulmonary Function in Adult Respiratory Distress Syndrome Patients." American College of Surgeons Clinical Congress, New Orleans, Louisiana.
56. 1986 "Lipid Metabolism and the Use of Fat in Parenteral Nutrition," and "The Role of Albumin in Nutrition Support." Tucson Area Society for Parenteral and Enteral Nutrition, Tucson, Arizona.
57. 1986 "Nutrition Support and the Surgical Patient: Practical Aspects of Parenteral Nutrition," and "Cancer: Nutritional Management." Second Annual Clinical Nutrition Update for the Practicing Physician, Sacramento, California.
58. 1987 "Adult Energy Requirements." American Society for Parenteral and Enteral Nutrition, 11th Clinical Congress, New Orleans, Louisiana.
59. 1987 "TEN vs TPN." University of Minnesota, Minneapolis, Minnesota.
60. 1987 "Gastric Balloon for Treatment of Obesity." Santa Clara Valley Medical Center, San Jose, California.
61. 1987 "Erosion of the Gastric Wall by Prosthetic Material." American Society for Bariatric Surgery Meeting, St. Louis, Missouri.
62. 1987 "Clinical Problems of Nutritional Support." American Association for Clinical Chemistry 39th National Meeting, San Francisco, California.
63. 1988 "Lower Gastrointestinal Cancer." American College of Surgeons Cancer Management Course, Sacramento, California.
64. 1988 "Investigative Obstacles in the Study of the Metabolism and Toxicity of Lipids." ASPEN Research Workshop, Las Vegas, Nevada.
65. 1988 "Energy Requirements and Substrate Metabolism in Critical Illness." ASPEN Postgraduate Course, Las Vegas, Nevada.
66. 1988 Moderator: "Albumin: Controversies in Clinical Use." ASPEN Clinical Congress, Las Vegas, Nevada.
67. 1988 "Effect of TPN on Hepatic Histology." Pacific Coast Surgical Association, San Francisco, California.
68. 1988 "Vascular Access Device Description and Insertion Techniques." Bay Area Vascular Access

Network, Bay Area Tumor Institute, San Francisco, California.

69. 1988 "Choosing the Right Device for a Particular Patient." Bay Area Vascular Access Network, Bay Area Tumor Institute, San Francisco, California.
70. 1988 "Catheter-related infection: Treat or poll." Bay Area Vascular Access Network, Bay Area Tumor Institute, San Francisco, California.
71. 1988 "Protein - Energy Requirements of the Malnourished Patient." Contemporary Issues in Clinical Nutrition, Cedars-Sinai Medical Center, Los Angeles, California.
72. 1988 "Use of Glucose in TPN." Mid-Atlantic Society for Parenteral and Enteral Nutrition, Winston-Salem, North Carolina.
73. 1988 "Critical Care Workshop." Mid-Atlantic Society for Parenteral and Enteral Nutrition, Winston-Salem, North Carolina.
74. 1988 "Energy Requirements and Substrate Metabolism." Northern California Chapter, ASPEN, Berkeley, California.
75. 1989 "Effects of Age on Nutritional Needs of the Hospitalized Elderly." American Society for Parenteral & Enteral Nutrition, 13th Clinical Congress, Miami Beach, Florida.
76. 1990 "Current Considerations in the Nutrition Support of Stressed, Including Postoperative, Patients." University of California, Davis, Conference on Clinical Nutrition, Rohnert Park, California.
77. 1990 "Intravenous Lipid Infusions: Present and Future Considerations". Italian Society of Enteral and Parenteral Nutrition, Pavia, Italy.
78. 1990 "Albumin Administration During Artificial Nutrition". Italian Society of Enteral and Parenteral Nutrition, Pavia, Italy.
79. 1990 "Current Considerations in the Nutrition Support of Stressed, Including Postoperative, Patients". American College of Surgeons Clinical Congress, San Francisco, CA.
80. 1990 "Nutritional Assessment and Therapy". American College of Surgeons, San Francisco, CA.
81. 1991 "Biochemical and Metabolic Changes in Stress: Carbohydrate and Lipids". American Society of Parenteral and Enteral Nutrition, San Francisco, CA.
82. 1991 "Endoscopic Cholecystectomy: An Analysis of Complications". Pacific Coast Surgical Association, Pebble Beach, CA.
83. 1991 "Is Ambulatory Laparoscopic Cholecystectomy Wise?". Society of American Gastrointestinal Endoscopic Surgeons, Monterey, CA.
84. 1991 "Current Recommendations: Nutrient Solutions". American College of Surgeons Clinical Congress, Surgical Nutrition Update Symposium, Chicago, IL.
85. 1991 "New Techniques in Laparoscopic Surgery", Panel Discussion. American College of Surgeons Clinical Congress, Chicago, IL.
86. 1992 "Advances in Enteral Treatment Following Surgery". University of California, Davis, Fifth Annual Conference on Nutrition, Walnut Creek, CA.

87. 1992 "Training for Minimally Invasive Surgery: Need for Surgical Skills". Third World Congress of Endoscopic Surgery, Bordeaux, France.
88. 1992 "Thoroscopic Esophagectomy for Cancer". American College of Surgeons, Clinical Congress, New Orleans, LA
89. 1992 "Multidisciplinary Approach to Calculous Biliary Disease". American College of Surgeons, Clinical Congress, New Orleans, LA.
90. 1992 "Complications of Laparoscopic Surgery: Small Bowel Injuries". American College of Surgeons, Clinical Congress, New Orleans, LA.
91. 1993 "The Effects of CO₂ Pneumoperitoneum on Hemodynamics in Hemorrhaged Animals". Society of University Surgeons, Seattle, WA.
92. 1993 "Hemodynamic Effects of Argon Pneumoperitoneum". Society of American Gastrointestinal Endoscopic Surgeons, Phoenix, AZ.
93. 1994 "Complications of Anesthesia and Pneumoperitoneum". Society of American Gastrointestinal Endoscopic Surgeons, Nashville, TN.
94. 1994 "How to Avoid and Treat Gastric and Esophageal Perforations". American College of Surgeons, Clinical Congress, Chicago, IL.
95. 1995 "Nutrition Support - Can We Prove It's Necessary?" Presidential Address, American Society for Parenteral and Enteral Nutrition, Miami, FL.
96. 1995 "Special Problems in Laparoscopy", moderator. Society of American Gastrointestinal Endoscopic Surgeons, Orlando, FL.
97. 1995 "Venous Gas Embolization Model for Laparoscopic Surgery", Third International Congress on New Technology and Advanced Techniques in Surgery, Luxembourg.

V. SERVICE

Membership in Professional Societies:

American College of Sports Medicine
American College of Surgeons
American Institute of Nutrition
American Medical Association
American Obesity Association
American Society for Clinical Nutrition
American Society for Parenteral and Enteral Nutrition
American Society of Metabolic and Bariatric Surgery
American Surgical Association
MacKenzie Society
National Association of Vascular Access Networks
National Foundation for Ileitis and Colitis, Inc.
North American Association for the Study of Obesity
Pacific Coast Surgical Association
Pancreas Club
Portland Surgical Society
Sigma Xi
Society for Surgery of the Alimentary Tract
Society of American Gastrointestinal Endoscopic Surgeons
Society of University Surgeons
Western Surgical Association

Granting Agency Review Work:

Editorial and Ad Hoc Review Activities:

Annals of Surgery
Surgical Endoscopy
The American Journal of Clinical Nutrition
Archives of Surgery
Journal of the American Medical Association
Journal of Parenteral and Enteral Nutrition
Surgery for Obesity and Related Disorders
Surgical Endoscopy
World Journal of Surgery

Committees:

American Society for Metabolic and Bariatric Surgery – Executive Council

American Society for Parenteral and Enteral Nutrition
Clinical Congress Program Committee
(Chairman, 1982 - 1983)
Board of Directors
Public Policy Committee
President, Northern California Chapter
Chairman, Abstract Selection Committee
Treasurer
Vice President
President Elect
President

Veteran's Administration Merit Review Board (Surgery)

American Society for Clinical Nutrition
Committee on Subspecialty Training

National Association of Vascular Access Networks
Board of Directors

Society of American Gastrointestinal Endoscopic Surgeons
Educational Resources Committee
Research Committee
Resident Education Committee
Research Outcomes Committee

Surgical Review Corporation – Research Advisory Committee

International/National

Regional

Institutional

OHSU IRB Review Board

Departmental

Community Service:

1980 – 2000 Physician, National Ski Patrol

Clinical Responsibilities (since last promotion):

VI. TEACHING (OHSU Educator's Portfolio):

Overview of your Role as an Educator:

Scholarship of Teaching:

Curriculum Development

Educational Publications

Educational Conference Presentations

Education Grants and Contracts:

Educational Activity (see Appendix A and B):

Effectiveness of Educational Activity:

Service and Membership of Educational Committees:

Honors and Awards for Education:

1986 Outstanding Teacher, University of California, Davis Surgical Residency Program

Collaborative Skills:

Professional Development in Education:
