
CURRICULUM VITAE

Name: John Marshall Ham, M.D.

Office Address: Oregon Health & Science University
Division of Liver and Pancreas Transplantation
Mail Code: L590
Portland, OR 97239-3098

Telephone: (503) 494-7810
Telefax: (503) 494-5292

EDUCATION

High School: Upper Columbia Academy
Spangle, WA
1967-1971

Undergraduate: Europa Kollege
Kassel, Germany
1971-1972

University of Redlands
Redlands, CA
1972-1973

Walla Walla College
College Place, WA
1973-1976
B.S. Degree in Electrical Engineering 1976

Graduate: Loma Linda University
Loma Linda, CA
1977-1980
M.D. Degree 1980

POSTDOCTORAL TRAINING

Updated on April 28, 2008

Internship/Residency: Loma Linda University Medical Center
Loma Linda, CA
General Surgery
1980-1984

Chief Resident: Loma Linda University Medical Center
Loma Linda, CA
General Surgery
1984-1985

SPECIALTY FELLOWSHIPS

Vascular Surgery Fellow: Division of Vascular Surgery
Department of Surgery
Loma Linda University Medical Center
Loma Linda, CA
1986-1987

Transplant Surgery Fellow: Division of Transplantation
Department of Surgery
The University of Michigan Medical Center
Ann Arbor, MI
1988-1990

ACADEMIC APPOINTMENTS

Instructor in Surgery: Department of Surgery
Loma Linda University
Loma Linda, CA
1984-1987

Instructor in Surgery: Department of Surgery
The University of Michigan
Ann Arbor, MI
1988-1993

Instructor in Emergency
Medicine: Department of Surgery
Loma Linda University

Loma Linda, CA
1985-1986

Assistant Professor
of Surgery:

Department of Surgery
Medical College of Virginia
Virginia Commonwealth University
Richmond, VA
1993- July 2001

Associate Professor
of Surgery:

Department of Surgery
Medical College of Virginia
Virginia Commonwealth University
Richmond, VA
July 2001- August 2001

Associate Professor:

Department of Surgery
Division of Liver and Pancreas Transplantation
Oregon Health & Science University
Portland, OR
August 2001-present

Director:

Pancreas Transplantation Program
Department of Surgery
Medical College of Virginia
Virginia Commonwealth University
Richmond, VA
1993-2001

Living Donor Liver Transplantation Program
Department of Surgery
Medical College of Virginia
Virginia Commonwealth University
Richmond, VA
Feb 2000-July 2001

Liver Transplant Program
Oregon Health & Science University
Portland, OR
August 2001- present

ACADEMIC APPOINTMENTS continued

Liver Transplant Program
Portland Veteran Affairs Medical Center
Portland, OR
August 2001- present

Chief: Division of Liver and Pancreas Transplantation
Oregon Health & Science University
Portland, OR
May 2002 – January 2008

HOSPITAL APPOINTMENTS

Junior Staff Surgeon: Loma Linda University Medical Center
Loma Linda, CA
1984-1985.

Riverside General Hospital
Riverside, CA, 1984-1986

Senior Staff Surgeon: Jerry L. Pettis Veterans Hospital
Loma Linda, CA
1987-1988

Loma Linda University Medical Center
Loma Linda, CA
1985-1989

Attending Surgeon: University of Michigan Medical Center
Ann Arbor, MI
1988-1993.

Attending Staff Surgeon: Medical College of Virginia
Richmond, VA
1993-July 2001

Staff Surgeon: Vascular Surgery
McGuire VA Medical Center
Richmond, VA
1997-July 2001

HOSPITAL APPOINTMENTS continued

Loma Linda University House Staff Organization, Co-president, 1983-1984
California Medical Association, 1983-1987
California House Officer, Medical Society, 1983-1985
Executive Committee, Member-at-Large 1984
Association for Academic Surgery, 1991-2004
Virginia Surgical Society, 1995-2001
Virginia Vascular Society, 2000-2001
Richmond Academy of Medicine, 2000-2001

Active

American Medical Association, 1983-present
American Society of Transplant Surgeons, 1996-present
American College of Surgeons, 1996-present
International Liver Transplantation Society, 2000-present
Portland Surgical Society, 2002-present
American Hepato-Pancreato-Biliary Association, 2003-present
Vascular Access Society of the Americas, 2006-present
American Society of Transplantation 2008

COMMITTEE AND ADMINISTRATIVE SERVICES

California House Officer Medical Society Executive Committee
Member-at-Large
1983-1984

Director of Surgical Intensive Care
Jerry L. Pettis Memorial Veterans Hospital
Loma Linda, CA
1987-1988

Pharmacy Committee
Jerry L. Pettis Memorial Veterans Hospital
Loma Linda, CA
1987-1988

COMMITTEE AND ADMINISTRATIVE SERVICES continued

Ethics and Social Impact Committee Member

Transplant and Health Policy Center
University of Michigan
Ann Harbor, MI
1989-1993

Director, Pancreas Transplantation
Medical College of Virginia
1993-2001

Representative and Board Member, South Eastern Organ
Procurement Foundation (SEOPF)
1996-2001

Virginia Chapter of the National Kidney Foundation
Board of Directors
1996-2001

Member of the Committee on the Conduct of Human Research
Medical College of Virginia
1997-1999

Medical Advisor and Board Member - LifeNet (Organ Procurement Organization)
Richmond, VA
May 1998-2001

Surgical Quality Assurance Committee
1994 - 2001

UNOS Region 11 Representative
Kidney and Pancreas Transplantation Committee
July 99-June 2001
Subcommittee on Living Donation

Liver Transplant Committee Chair
Oregon Health and Sciences University and Portland VA Medical Center
2001- present

Liver Transplant Board
Veterans Administration
Washington, D.C. 2001-present

COMMITTEE AND ADMINISTRATIVE SERVICES continued

ASTS Ethics Committee

Member 2008

UNOS Region 6 Representative
Liver and Intestinal Organ Transplantation Committee
July, 2004 – present
Subcommittee on MELD Exceptions

CLINICAL TRIALS

Principal Investigator

“Prospective Multicenter Study to Compare the Efficacy and Safety Among Three Immunosuppressant Treatment Regimens in Patients Receiving a Liver Transplant for End-Stage Liver Disease Caused Chronic Hepatitis C Infection.”

“An Open Label Comparative Trial of Two Daclizumab Dosing Strategies Versus No Induction Treatment in Combination With Tacrolimus, Mycophenolate Mofetil, and Steroids for the Prevention of Acute Allograft Rejection in Simultaneous Kidney/Pancreas Transplant Recipients.” A multi-institutional study sponsored by Roche Pharmaceuticals.

“A Double-Blinded, Randomized, Multicenter Phase III Clinical Trial of Thymoglobulin Versus Atgam in the Treatment of Acute Graft Rejection Episodes Following Renal Transplantation in Adults.” A study sponsored by Sangstat Pharmaceuticals.

"An Open-Label, Randomized, Prospective Study to Compare the Efficacy and Safety Among Three Immunosuppressant Treatment Regimens in Patients Receiving a Liver Transplant For End-Stage Liver Disease Caused by Chronic Hepatitis C Infection." A study sponsored by Baylor University Medical Center with support from F. Hoffmann LaRoche, LTD. (2002-2006, \$105,125)

“A Prospective, Open-Label, Multi-Center, Randomized Trial of the Efficacy and Safety of a Long Term Calcineurin Inhibitor Free Maintenance Regimen With Mycophenolate Mofetil and Sirolimus in Recipients of an Orthotopic Liver Transplant.” A study sponsored by Roche Laboratories, Inc. (2006-2010, \$408,156)

CLINICAL TRIALS

Co-Investigator

“Hepatic Regeneration in Donors and Recipients Following Living Liver Transplantation.” A single institution study at the Medical College of Virginia, Virginia Commonwealth University, Division of Transplant Surgery. Funded by Fujisawa Healthcare, Inc.

“A Comparative Study of the Effect and Equivalence of Sirolimus Oral Liquid Versus Sirolimus Tablets, Administered Concomitantly with Cyclosporine and Corticosteroids in Renal Allograft Recipients.” A multi-institutional study sponsored by Wyeth-Ayerst Research.

“HBIG as Immunoprophylaxis for Recurrent Hepatitis B Following Orthotopic Liver Transplantation for Hepatitis B.” A single institution study at the Medical College of Virginia, Virginia Commonwealth University, Division of Transplant Surgery.

“The Value of Plasmapheresis for Removal of Preformed Donor Specific Antibody Identified by Flow Cytometry in Poorly Functioning Livers.” A single institution study at the Medical College of Virginia, Division of Transplant Surgery, Internally Funded.

“A Double-Blind, Comparative Study of the Effect of Two-Dose Levels of Sirolimus Versus Azathioprine, Administered Concomitantly With Standard Immunosuppressive Therapy in Renal Allograft Recipients.” A multi-institutional study sponsored by Wyeth-Ayerst Research, 1996.

“Controlled Randomized, Open Label, Multi-Center De Novo Study of Comparing SANG-35 Oral Solution with Neoral Capsule in Adult Renal Allograft Recipients.” A multi-institutional study sponsored by Sangstat Pharmaceuticals.

“A Double-Blind Randomized Placebo Controlled Trial of Prostaglandin E1 in Liver Transplantation.” A single institution study at The University of Michigan Medical Center, Division of Transplantation Supported by UpJohn Pharmaceuticals.

“Randomized, Controlled, Dose Ranging Study of the Safety, Pharmacokinetics, Efficacy of Intravenous Followed by Oral Mycophenolate Mofetil in the Prevention of Acute Rejection in Primary Cadaveric Renal Allograft Recipients.” A multi-institutional study sponsored by Syntex, Syntex Study IID 2176/ U.S.A.1993.

“A Multicenter Randomized Comparative Study Comparing Sandimmune Oral Solution and OG 37-325 Oral Solution in the Prevention of Renal Allograft Rejection.” OG 37-325 Study #331, 1993.

“Multicenter Randomized Dose Ranging Study Comparing the Safety and Efficacy of OG 37-325 Oral Solution to Sandimmune Oral Solution in Renal Allograft Recipients.” OG 37-325 Study #201, 1991.

EDITORIAL, AD HOC REVIEW AND OTHER ACTIVITIES

Editorial Board, Liver Transplantation
2006-2008

TEACHING

2006-present Principles of Clinical Medicine (PCM) Course

PRESENTATIONS

January 1990 "Vascular Complications in Renal Transplantation." Annual Renal Transplantation Symposium, University of Michigan Organ Transplantation Center, Ann Arbor, MI

PRESENTATIONS

- April 1990 “Chemotactic Cytokine Gene Expression in Human Whole Blood.”
FASEB Meeting, Washington, D.C. (Poster)
- May 1990 “Chemotactic Cytokine Gene Expression in Human Whole Blood.”
Annual Research Conference, University of Michigan,
Department of Surgery, Ann Arbor, MI
- November 1990 “Liver Transplantation.” Grand Rounds, WA Foote Memorial Hospital,
Jackson, MI
- April 1991 “Fulminant Hepatic Failure.” 4th Annual Liver Transplant Symposium,
University of Michigan Organ Transplantation Center, Ann Arbor, MI
- September 1991 “Surgical Problems in Immune Compromised Patients, Advances in
Surgery.” University of Michigan, Department of Surgery, Ann Arbor, MI
- October 1992 “The Role of Liver Transplantation in the Treatment of Alcoholic Liver
Disease.” David Hume Transplantation Lecture Series, Medical College
of Virginia, Richmond, VA
- August 1993 “Long Term Follow up of CMV and EBV Immunity After Sandoglobulin
Prophylaxis in the High Risk Pediatric Renal Recipient.” First
International Congress On Pediatric Transplantation, Minneapolis, MN
- April 1994 “Pancreatic Transplantation, Update on Renal and Pancreatic
Transplantation.” Medical College of Virginia, Richmond, VA
- April 1995 “Renal/Pancreas Transplantation.” David Hume Lecture, Medical College
of Virginia, Richmond, VA
- April 1996 “Horizons in Pancreas Transplantation.” The Diabetes Institutes and
Center for Endocrine and Metabolic Disorders, Eastern Virginia Medical
School, Norfolk, VA
- November 1996 “Endothelium Dependent Vasodilatation Normalizes After Combined
Kidney/Pancreas Transplantation in Patients with Diabetes and Renal
Failure.” American Heart Association, New Orleans, LA
- September 1998 “Kidney/Pancreas Transplantation.” Transplant Core Lecture Medical
College of Virginia, Richmond, VA

PRESENTATIONS

- September 1998 “Kidney/Pancreas Transplantation and Living Related Donation.”

National Kidney Foundation, Charlottesville, VA

- October 1998 “Diabetes and Transplantation.” Woman’s Optimist Club, Dena’s Restaurant, Richmond, VA
- January 1999 “Venous Disease, M-II Cardiovascular.” Course Lecture, Medical College of Virginia, Richmond, VA
- January 1999 “Organ Transplantation.” Core Lectures for M-III Students, Medical College of Virginia, Richmond, VA
- February 1999 “Kidney/Pancreas Transplantation.” Clinical Science Courses, Medical College of Virginia, Richmond, VA
- February 1999 “Donor Evaluation Management and Selection.” Resident Teaching Conference, Transplant Teaching Conference, Medical College of Virginia, Richmond, VA
- March 1999 “Organ Transplantation.” Core Lectures for M-III Students, Medical College of Virginia, Richmond, VA
- August 1999 “Right Lobe Living Donor Liver Transplantation.” Oral Presentation, International Liver Transplantation Society Meeting, Pittsburgh, PA
- January 2000 “Living Donor Transplants - MCV Experience.” South Eastern Organ Procurement Foundation Tri-Annual Meeting, New Orleans, LA
- March 2000 “Living Donor Liver Transplantation.” United Network for Organ Sharing, Los Angeles, CA
- April 2000 “Immunology of Kidney Transplant.” Department of Urology, Medical College of Virginia, Richmond, VA
- April 2000 “Living Liver Donors - Transplant Surgery.” Southern Surgeon’s Club, Richmond, VA
- May 2000 “Living Unrelated Random Liver Donor.” Tennessee Donor Services Education Seminar, Nashville, TN
- July 2000 “Live Donor Liver Transplantation.” University of Florida, Gainesville, FL

PRESENTATIONS

- December 2000 “Current Experience with Living Donor Liver Transplantation.” Medical College of Virginia, Virginia Commonwealth University. National Institutes of Health, Bethesda, MD
- February 2001 “Update on Living Related Liver Transplantation.” Medical College of Virginia, Surgical Grand Rounds, Richmond, VA
- March 2001 “Controversies in Transplantation.” University of Colorado Health Science Center. Beaver Run Resort, Breckenridge, CO
- May 2001 “Charge Comparisons of Living Donor Right Lobe Liver Transplantation Versus Cadaveric Donor Liver Transplantation.” Poster Presentation, Joint Meeting, ASTS/AST, Annual Meeting, Chicago, IL
- May 2001 “Live Donor Adult Right Lobe Liver Transplantation - Lessons Learned from 49 Transplants.” Poster Presentation, Joint Meeting, ASTS/AST, Annual Meeting, Chicago, IL
- September 2002 “Living Donor Liver Transplantation” Combined Transplant Conference, Oregon Health & Science University, Portland, OR
- September 2004 “Hepatitis C Three Study Group: Baylor University Medical Center” XX International Congress, Vienna, Austria
- April 2005 “Welcome and Program Overview,” Advances in Liver and Kidney Transplantation, Embassy Suites Hotel, Portland, OR
- April 2005 “Living Donor Liver Transplantation,” Advances in Liver and Kidney Transplantation, Embassy Suites Hotel, Portland, OR
- June 2005 “Ashland Conference 2005: Advances in Digestive Health: A Multidisciplinary Approach,” Role of Liver Transplant 2004: Who, Why and When, Windmill’s Ashland Hills Inn, Ashland, OR
- November 2005 “Multi-center Randomized Hepatitis C (HCV) Three Trial Post Liver Transplantation (OLT): A One-year Follow up Report” Oral Presentation, AASLD, Annual Meeting, San Francisco, CA
- November 2005 “Recurrent Hepatitis C is a Risk Factor for Poor Outcome after Liver Retransplantation” Poster Presentation, AASLD, Annual Meeting, San Francisco, CA
- September 2006 “Post-Transplant Malignancy in Kidney and Liver Transplant Recipients,” Transplantation for the Primary Care Provider, St. Francis Medical Center, The Transplant Institute, Honolulu, HI
