116. Invited Speaker, Urologic Society for Vascular Surgery and Renal Transplantation, May 2, 2000, Atlanta, Georgia.
117. Invited Speaker, White Coat Ceremony, OHSU School of Medicine, September 1, 2000.
118. Invited Speaker, Sixth Annual Martha Bryant Memorial Lecture, Oregon Chapter of the American College of Nurse-Midwives, Portland, Oregon, October 7, 2000.
119. Visiting Professor, University of Kansas Medical Center, Kansas City, Kansas, October 13-14, 2000.
120. Invited Speaker, International Surgical Group, 43rd Annual Meeting, Portland, Oregon, October 19, 2000.
121. Visiting Professor, University of Virginia Medical Center, Charlottesville, Virginia, October 27, 2000.
121. Guest Speaker, Nephrology Day, Seattle, Washington, January, 2001
122. Invited Speaker, Residency Review Committee for Urology Educational Retreat, Chicago, June 7-8, 2002.
123. Visiting Professor, Long Island Jewish Medical Center, June 20-21, 2002
124. Guest Speaker, First World Summit on Kidney Surgery, Cleveland Clinic Foundation, February 5-7, 2003.
125. Dr. Gilbert Ross, Jr. Visiting Professorship, University of Missouri School of Medicine, Columbia, Missouri, April 18, 2003.
126. Distinguished Visiting Professor, Department of Surgery, University of Missouri School of Medicine, Columbia, Missouri, April 19, 2003.
127. Invited Speaker, Kidney Transplantation: Referral to Follow-up, Veterans Affairs Medical Center and Oregon Health & Science University, May 1-2, 2003.
128. Invited Speaker, John M. Porter, M.D. Lecture Series, OHSU, Portland, Oregon, October 18, 2003
129. Guest Speaker, National Foundation for Sexual Health Medicine, Portland, Oregon, October 25, 2003.
130. Visiting Professor, Vattikuti Institute, Henry Ford Hospital, Detroit, Michigan, August 1-3, 2004
131. Guest Speaker, Fifth Anniversary Celebration Symposium, Renal and Pancreas

- Transplantation, Legacy Emanuel Hospital, Portland, OR, March 11-12, 2005.
132. Guest Speaker, Advances in Liver and Kidney Transplantation. Portland, OR, April 22-24, 2005.
 133. Visiting Professor, Fukuoka University Hospital, Fukuoka, Japan, April 10-11, 2005.
 134. Guest Speaker, 93rd Annual Meeting of the Japanese Urological Assoc., Tokyo, April 12-16, 2005.
 135. Invited Faculty, Postgraduate Course at 2005 meeting of the American Urological Association, San Antonio, TX, May 20-26, 2005.
 136. Invited Faculty, Geriatric Urology Society of the American Urological Association. San Antonio, TX, May 20-26, 2005.
 137. Invited Speaker, OHSU Department of Surgery Retreat, Salishan, Gleneden Beach, Oregon, October 1, 2005
 138. Guest Speaker, Festschrift in Honor of Dr. Andrew Novick, Glickman Urological Institute, Cleveland Clinic Foundation, Ohio, October 7, 2005.
 139. Invited Speaker, Urologic Society for Renal and Transplantation Surgery, Atlanta, Georgia, May 23, 2006.
 140. Charles Higgins Visiting Professor, Glickman Urological Institute, Cleveland Clinic Foundation, Ohio, September 6-8, 2006.
 141. Guest Speaker, University of Hawaii Postgraduate Course, Honolulu, HI, September 16, 2006.
 142. Guest Speaker, St. Vincent Providence Hospital Grand Rounds, Portland, Oregon, October 19, 2006.
 143. Guest Speaker, Vattikuti Urological Institute, Henry Ford Health System, Detroit, MI, March 7 and 14, 2007.
 144. Faculty Speaker. Advances in Liver and Kidney Transplantation. Portland Veterans Affairs Medical Center and Oregon Health & Science University. Portland, OR, April 16, 2007.

Institutional Committees:

- 1973 - 1976 Surgical Audit Committee, Veterans Administration Medical Center
- 1973 - 1975 Problem Oriented Medical Records Committee, Veterans Administration Medical Center
- 1974 Surgical Audit Committee, University Hospital
- 1976 - 1978 Faculty Council
- 1976 - Transplant Conference, Chairman
- 1979 - 1984 Operating Room Committee, Chairman 1980 - 1984
- 1980 - 1981 Executive Committee of the Medical Board
- 1980 - Promotion and Tenure Committee, Dept. Of Surgery
- 1981 Special Review Committee of the Medical Staff About Cancer Patient Care in University Hospital
- 1982 Ad Hoc Committee on Fund Raising
- 1982 - 1983 Medical Board, Oregon Health Sciences University (FY 1982-3)
- 1984 - 1986 Ad Hoc Committee on Cardiac Transplantation
- 1986 - 1987 Ad Hoc Committee on Pancreas Transplantation
- 1987 - 1988 Ad Hoc Committee on Liver Transplantation
- 1987 - 2000 Department of Surgery Quality Assurance Committee
Chair, Department of Surgery Promotion and Tenure Committee (2001 -)
- 1988 - 1990 Chairman, Liver Transplantation Steering Committee
- 1989 Transplantation Task Force for Strike Planning
- 1989 - 2002 Pacific Northwest Transplant Bank Advisory Board

1990 - 1991 OHSU/VAMC Joint Planning Task Force
 1995 - 1996 Ad Hoc Committee on Clinical Productivity
 1996 Medical Leadership Council
 1998 - 2000 Member, Board of Directors of OHSU Medical Group
 1999 - 2000 Internal Advisory Committee, Oregon Comprehensive Cancer Center
 2002 - Pacific Northwest Transplant Bank, Medical Advisory Committee
 Physicians Committee of the Medical Board

National, State, and Local Committees:

1976 - 1980 Oregon Donor Program Steering Committee
 1978 - Executive Council, Network Coordinating Council #2
 1979 - 1981 End Stage Renal Disease Coordinating Council #2, Medical Review Board
 1980 Ad Hoc Panel for Technological Forecast (Delphi Panel)
 1980 Associate Urologic Investigator for National Bladder Cancer Collaborative Group
 1981 Categorical Representative of Organ Procurement Agency for Network Coordinating Council #2
 1981 Executive Committee and Medical Review Board of Network Coordinating Council #2
 1982 Medical Advisory Committee, North American Transplant Coordinators Organization
 Education Subcommittee on Training and Development
 1983 - 1985 End Stage Renal Disease Network Coordinating Council #2 Membership and
 Nominating Committee and Alternate Categorical Representative for Transplant
 Surgeons
 1985 - 1987 End Stage Renal Disease Network Coordinating Council #2 Categorical
 Representative for Transplant Surgeons
 1986 Guest Examiner, American Board of Urology
 1986 Board of Appeals Chairman to the ACGME
 1986 - Medical Advisory Committee, Kidney Association of Oregon
 1985 - 1986 End Stage Renal Disease Network Coordinating Council #2 Task Force on Pediatric
 Care, 1985-1986
 1986 United Network for Organ Sharing Ad Hoc Committee on Transplantation of
 Foreign Nationals
 1987 End Stage Renal Disease Network Coordinating Council #2, Membership and
 Nominating Committee
 1987 - 1988 Member Consultant for Vascular Surgery, Transplantation and Organ Harvesting for
 the American Urological Association Program Committee.
 1987 - OHSU Representative to UNOS
 1988 - United Network for Organ Sharing Education Committee
 1988 United Network for Organ Sharing Region VI Nominating Committee
 1988 - 1990 United Network for Organ Sharing, Membership and Professional Standards
 Committee
 1988 - 1990 United Network for Organ Sharing, Associate Counselor
 1988 Northwest Urological Society Bylaws Committee
 1990 Examiner, American Board of Urology
 1990 - 1992 United Network for Organ Sharing, Counselor and Member, Board of Directors.
 1993 Advisory Committee on Organ Transplantation for Office of Medical Assistance
 Programs of the State of Oregon
 2004 - Organ Procurement and Transplantation Network representative to the United
 Network for Organ Sharing

Main Research Interests:

- 1969 DMSO and rat skin allograft rejection. Negative study. Results not published
- 1972 Self-administered urology patient questionnaire. Study completed. Results published.
- 1973 Anti-reflux uretero-colostomy. Study completed, published. Prize winning essay.
- 1974 Diagnostic approach to impotence. Study completed. Prize winning essay.
- 1976 Clinical applications of kidney preservation. Study completed. Prize winning essay.
- 1976 Influence of retrograde contrast media on urinary cytodiagnosis. Study completed. Published.
- 1977 HLA antigens and prostate cancer. Study completed. Negative result. Published.
- 1978 Antilymphoblast globulin as a clinical immunosuppressant. Study completed. Published.
- 1979 Development of nocturnal penile tumescence screening test. Study completed. Published.
- 1980- Human kidney preservation with intracellular electrolyte flushing and simple cold storage. Multiple studies published.
- 1980 One unit donor specific transfusion protocol in living related donor kidney transplantation. Study completed. Published.
- 1980 Development of nephrostent for kidney procedures. Contract with Surgitek and royalties.
- 1982 HLA-mismatched white blood cell pack for preparation of cadaver kidney recipients. Study completed. Published.
- 1982 Penis measurement for selection of penile prosthesis. Study completed. Published.
- 1982 - Co-investigator, adult polycystic kidney disease protocols, including cyst decompression for pain, renal function, hypertension, antibiotic cyst fluid levels, and laparoscopic surgery. Studies completed and in progress. Multiple publications.
- 1983 Evaluation of investigational inflatable penile prosthesis. Study completed.
- 1984 Comparison of cyclosporine with conventional immunosuppression in diabetic recipients of cadaver kidney transplants. Study completed. Published.
- 1984 Influence of mannitol and furosemide on acute tubular necrosis following human cadaveric kidney transplantation. Published.
- 1984 Papaverine test to differentiate organic from psychogenic impotence. Study completed.
- 1984- Co-investigator, OKT3 protocols. Multiple publications.
- 1985 Extension of simple cold storage for kidney preservation by using free radical scavengers, membrane stabilizers, and APT. Grant obtained, study completed.
- 1985 Study of DMSO as a delivery agent to reduce cyclosporine dosage in immunosuppression. Study completed. Published.
- 1988 - Multicenter trial of University of Wisconsin solution in clinical renal and liver preservation and transplantation by cold storage. Published.
- 1989 - Co-investigator: prophylaxis against post-transplantation urinary tract infections.
- 1991 - DMSO as vehicle for oral administration of gentamicin. Negative result.
- 1992 - Immunosuppression protocols. Multiple publications. Grants.
- 1993 - Impotence following transplantation, autosomal dominant polycystic kidney disease. Multiple publications.
- 1998 - Sildenafil for erectile dysfunction. Grant.
- 1998 - 2000 Daclizumab vs. OKT3 for induction immunosuppression. Study completed. Grant.
- 2005 - Comparative study to assess the safety of induction agents. Co-investigator.
- 2006 - Comparative study to assess the safety of induction agents. IRB #IRB00001308.
