

## CURRICULUM VITAE

Steven J. Skoog, M.D.FAAP, FACS,

### EDUCATION:

United States Military Academy - B.S. (Top 5% of class) 1968 - 1972

University of Oregon Medical School, M.D., cum laude 1972 - 1976

### SPECIAL TRAINING:

Walter Reed Army Medical Center - Straight Surgical Internship 1976 - 1977

Walter Reed Army Medical Center - Residency – Urology 1978 - 1982

Advanced Trauma and Life Support Instructors Course, Uniformed Services University of the Health Sciences June 1982

Endourology Training - Institute of Urology, London, England April - June 1984  
With Mr. J.E.A. Wickham

Children's Hospital National Medical Center, Washington, DC Fellowship, Pediatric Urology 1985 - 1986

Microsurgical Training, Uniformed Services University Of the Health Sciences May 1987

Extracorporeal Shock Wave Lithotripsy Training, Munich, Germany June 1988

Biological and Gas Warfare, Recognition and Treatment, Richmond, VA Oct. 1990

Urologic Laparoscopy Training, George Washington University Washington, D.C. Mar. 1992

Faculty Excellence Workshop: Principles of Clinical Medicine, OHSU Oct. 1994

Managed Care Planning, Contracting and Negotiation. Business Network, Portland, OR Feb 1995

Faculty Excellence Workshop for Continuity Preceptors of the Principles of Clinical Medicine Course Mar 1996

Faculty Development Workshop. Using Computers for Medical Education. OHSU School of Medicine and BICC Oct 1996

## MILITARY EXPERIENCE

Active Duty, United States Army	1972-1992
Military: Lieutenant Colonel (Retired)	
Active Duty: Chief, Hunter Liggett Health Clinic, Jolon, California	1977 - 1978
Staff Urologist - Walter Reed Army Medical Center	1982-1984
Assistant Chief, Urology Service, Walter Reed Army Medical Center	1984 - 1985
Chief, Pediatric Urology, Walter Reed Army Medical Center	1986 - 1992
Consultant Staff, Pediatric Urology, Bethesda Naval Regional Medical Center, Bethesda, Maryland	1987 - 1992
Chief of Surgery, 85th Evacuation Hospital, and Dhahran, Saudi Arabia	Oct. 1990 - May 1991
Consultant, Urologic Surgery, King Fahd Military Medical Center, Dhahran, Saudi Arabia	Oct. 1990 - May 1991

## Military Awards and Honors:

National Service Defense Medal with Bronze Star	1972
Joint Services Commendation Medal	1986
“A” Proficiency Designator, Certificate of Achievement. The Surgeon General of the Army	1991
Southeast Asia Service Medal with Two Bronze Stars	1991
Kuwait Liberation Medal	1991
Army Service Ribbon	1992
Meritorious Service Medal	1992
Unit Commendation Medal-Operation Desert Storm	1992
Bronze Star/Operation Desert Storm	1992
Order of Military Medical Merit	1995

## ACADEMIC APPOINTMENTS

Instructor in Surgery: Department of Surgery, Uniformed Services University of the Health Sciences	1981 - 1984
Assistant Professor - Department of Surgery, Uniformed Services University of the Health Sciences, Bethesda, MD	1984 - 1988
Courtesy Staff, Children's Hospital National Medical Center Washington, D.C.	1986 - 1992
Associate Professor - Department of Surgery, Uniformed Services University of the Health Sciences, Bethesda, MD	1988 - 1992
Adjunct Associate Professor of Health Care Sciences, George Washington University School of Medicine and Health Sciences	1989- 2001
Clinical Associate Professor - Department of Surgery, Uniformed Services University of the Health Sciences, Bethesda, MD	1992- present
Associate Professor, Department of Surgery, Oregon Health Sciences University, Portland, OR	1992 - 1997
Associate Professor, Department of Pediatrics, Oregon Health Sciences University, Portland, OR	1992 - 1997
Professor, Department of Surgery, Oregon Health Sciences University, Portland, OR	1997 - present
Professor, Department of Pediatrics, Oregon Health Sciences University, Portland, OR	1997 - present
<b>Tenured Professor</b> , Department of Surgery and Pediatrics Oregon Health and Sciences University, Portland, OR	2002-present
Consultant/Attending Physician, Department of Surgery, VA Medical Center, Portland, OR	1992 - 2007
Staff, Pediatric Urology, Oregon Health Sciences University Portland, Oregon	1992 - present
Consultant, Pediatric Urology, Madigan Army Medical Center Tacoma, Washington	1992 - present
Courtesy Staff, Emanuel Legacy Hospital, Portland, Oregon	1992 - present
Courtesy Staff, Providence St. Vincent Medical Center, Portland, OR	1994 - present
Director, Pediatric Urology, Oregon Health Sciences University	

Portland, Oregon	1995 - present
Consultant Staff: Shiners' Hospital, Portland, Oregon	1992 - present
Pediatric Urology Staff, Child Development and Rehabilitation Center	1996 - 2007
Courtesy Staff, Eastmoreland Hospital, Portland, Oregon	1997 - 2003

HONORS/AWARDS

Graduated from U.S. Military Academy, Distinguished Cadet (Top 5% of class)	1972
Graduated from University of Oregon Medical School, Cum Laude	1976
Lange Award - University of Oregon Medical School	1976
Alpha Omega Alpha Society - University of Oregon Medical School	1976
Upjohn Achievement Award - University of Oregon Medical School	1976
Best Presentation - Pyelogram Conference, Washington Urological Society	1982
ACMI Endourology Award - Kimbrough Urological Seminar, Scottsdale, AZ	1984
Society of Government Service Urologists Award, Best Presentation, Kimbrough Urological Seminar, San Antonio, TX	1986
Honorable Mention Citation - The Radiologic Society of North America, Scientific Exhibit. The Mobile Retroperitoneal Colon: Implications for Invasive Percutaneous Renal Procedures	1986
Best Paper by an Institutional Member. Oral DDAVP in the Treatment of Primary Nocturnal Enuresis. Northwest Urological Society, Portland, OR	1996
Best Doctors Award	2001-2007
Best Doctors in Portland (Portland Monthly Magazine)	2004, 2005, 2006, 2007 2008
Listed "Guide to America's Top Physicians"	2006
3 <sup>rd</sup> place Poster Session, Western Section AUA, San Diego Ca.	2004
Cambridge Who's who Among Executives and Professionals In Pediatric Medicine	2007

PUBLIC SERVICE

Education Committee, National Kidney Foundation of the National Capitol Area, Inc.	1990 - 1992
Participant OHSU School of Medicine Annual Fund Phonathon	1992 - 1999
Rose Award for Outstanding Service Excellence, OHSU	1993, 1996, 1996 1997, 1997,1998, 1999,2000,2001(2) 2002 (2), 2003(3), 2004 (4), 2005(4) 2006 (5), 2007 (3)
Co-President, Lake Oswego Swim Club, Lake Oswego, OR	1996-1997
Participant: Oregonian Pediatric Hotline, Oregon Pediatric Society	1998, 2000
Healing the Children, Humanitarian visit – Guayaquil, Ecuador	2002, 2004

PROFESSIONAL SOCIETIES/OFFICE HELD

Society of Government Service Urologists	1979 - present
Resident Representative to Society of Government Service Urologists	1980 - 1981
American Medical Association	1976-1986
Secretary-Treasurer, Society of Government Service Urologists	1987 - 1992
Washington Urologic Society	1979-1992
Uniformed Services University of the Health Sciences Surgical Association	1983 - Present
Association of Military Surgeons of the United States	1983 - Present
American Urological Association	1984 - Present
Fellow, American College of Surgeons	1986 - Present
Society of University Urologists	1986 - 2000
West Point Medical Society	1986 - 1990
Fellow, American Academy of Pediatrics: Section on Urology	1988 - present

Society for Pediatric Urology	1988 - present
American Association of Pediatric Urologists	1990 - present
Portland Pediatric Society	1992 - 2004
Western Section - American Urological Association	1992 - present
Secretary-Treasurer, Oregon Urology Alumni Association	1993-1996
Oregon Urological Society	1993 - present
Northwest Urological Association	1993 - present
American Institute of Ultrasound in Medicine	1993 - 1996
Treasurer, Oregon Health Sciences University School of Medicine Alumni Association, Portland, OR	1993 - 1994
Secretary, School of Medicine Alumni Association, Oregon Health Sciences University, Portland, OR	1994 - 1995
The Society of Genitourinary Reconstructive Surgeons	1994 - present
Urologic Society for Transplantation and Vascular Surgery	1995 - 1999
President Elect, OHSU School of Medicine Alumni Association	1995 - 1996
President, OHSU School of Medicine Alumni Association	1996 - 1997
President, American Association of Pediatric Urologists	1996 - 1997
Western Urologic Forum	1997 - present
Society for Fetal Urology	1998- present
Fellow Society for Pediatric Urology	1998- present
Membership Chairman, Society for Pediatric Urology	2004- 2005
Secretary, Section on Urology, American Academy Pediatric	2005-present

9. PROFESSIONAL LICENSES AND CERTIFICATION

National Medical Board	1977
American Board of Urology Certificate No.8458	1984

State of California	1978 - 1992
State of Maryland	1979 - 1992
State of Virginia	1980 - 1992
Washington, D.C.	1986 - 1992
Certificate of Lithotripsy Training (ESWL), Munich, Germany	1988
State of Oregon	1992 - present
10. <u>COMMITTEE ASSIGNMENTS</u>	
<b>National</b>	
Consultant: Bone Scanning Quality Control; National Prostate Cancer Project, National Cancer Institute grant (David McLeod, Principle Investigator), Walter Reed Army Medical Center	1983 -1986
<b>Program Chairman</b> , Urology section, American Academy of Pediatrics Annual Meeting, New Orleans, LA	Oct 1991
Program Committee, Urology Section, American Academy of Pediatrics Annual Meeting, San Francisco, CA	Oct 1992
Peer Reviewer, Urology	1992- present
Peer Reviewer, Journal of Urology	1993 - present
Peer Reviewer, American Family Physician	1997 - present
Peer Reviewer, Pediatrics in Review	1997 - present
Peer Reviewer, Pediatrics	1997 – present
Peer Reviewer, Journal Pediatric Urology	2007- present
Assistant Editor, Society of Pediatric Urology Newsletter	1998 - 2004
<b>Program Chairman</b> , Society for Pediatric Urology Annual Meeting, San Francisco, CA	May 1994
Participant: AUA Recommended Work Values for Urologic Procedures AMA - RUC Process	May 1994
Participant: AUA Relative Value Update Committee: Survey of	

Pediatric Procedures	March 1996
Member, Children's Cancer Group, OHSU. Grant #CA 26044-18	1995 - present
<b>Educational Committee Chairman</b> , Section on Urology, American Academy of Pediatrics	1996 - 1999
<b>Executive Committee</b> , Society for Pediatric Urology	1996 - 2001
Pediatric Urology Inservice Examination Committee American Urological Association	1996 - 1998
<b>Executive Committee</b> , Urology Section, American Academy of Pediatrics	1994 - 1999
<b>Examination Committee</b> , ABU/AUA	1998- 2002
Task Force Chairman, <b>Examination Committee</b> , ABU/AUA	2001- 2002
Nominating Committee, Section on Urology, American Academy of Pediatrics	1999 - 2000
Nominating Committee, President Elect <b>Society for Pediatric Urology</b>	2002-2003
Urology Panel NIH CDC "Evidence Based Research in the Practice Of Spina Bifida"	2002-2003
Membership Chairman: Society for Pediatric Urology	2004
Pediatric Urology Medal Committee – AAP	2004
<b>Co-Chairman</b> : AUA Vesicoureteral Reflux Guidelines Committee	2005- present
<b>Secretary</b> : Section on Urology, American Academy of Pediatrics	2005- present
<b>Regional:</b>	
Program Committee, Oregon Urological Society, Portland, OR	1993 - 1998
Alternate District 3 Oregon Representative, Executive Committee, Western Section, American Urological Assoc., Palm Springs, CA	1993 - 1994
Oregon Representative - Executive Committee, Western Section, AUA	1994 - 1996
Nominating Committee, Western Section, American Urological Association	1997 - 1998 2000 – 2001
Arrangement Committee Chairman, NWUS	1999, 2002

**Local:**

Microvascular Surgery Committee, Uniformed Services University of the Health Sciences, Bethesda, MD	1987 - 1992
Operating Room Committee, Walter Reed Army Medical Center	1989 - 1992
Therapeutic Approval Board, 85th Evacuation Hospital, Dhahran, Saudi Arabia	Oct 1990
Chairman, Infection Control Committee, 85th Evacuation Hospital, Dhahran, Saudi Arabia	Oct 1990
Search Committee, Chairman, Department of Surgery, Walter Reed Army Medical Center	July 1991
School of Medicine - Student Faculty Committee, Oregon Health Sciences University, Portland, OR	1994 - 1997
Doernbecher Children's Hospital - Equipment Planning Committee	1995 - 1999
Doernbecher Children's Hospital - Operating Room and Surgical Subspecialty Clinics Planning Committee.	1995 - 2000
Operating Room Committee, OHSU	1996 - 1998
Doernbecher Children's Hospital - Perioperative Services Committee	1997 - 1999
Doernbecher Children's Hospital - Search Committee, Surgeon in Chief	1997 - 1998
School of Medicine Ad Hoc Committee to Review the Department of Diagnostic Radiology	Jan 1998
DCH - Quality Assurance committee	2001-2004
<b>OHSUMG</b> Board of Directors	2002-2005 2007- present
<b>OHSUMG:</b> Managed Care & Contracting Committee	2004- present

11. TEACHING ASSIGNMENTS

Instructor: Advanced Trauma Life Support for American College of Surgeons	1982 - 1987
Instructor, Microvascular Surgery Course, Uniformed Services University of the Health Sciences, Bethesda, MD	1987 - 1992
Judge, Second Annual Fellows Competition, National Kidney Foundation	

of the National Capitol Area, Inc., Bethesda, MD	Apr 1992
Course Coordinator/Instructor, Urologic Laparoscopic Surgery, Uniformed Services University of the Health Sciences, Bethesda, Maryland	June 1992
Urology Grand Rounds, OHSU	1992 - present
<ul style="list-style-type: none"> <li>Professor's Challenge</li> <li>Symposium on Vesicoureteral Reflux</li> <li>Congenital Ureteral Disorders</li> <li>Urobowl: Congenital GU Anomalies</li> <li>Retroperitoneal Teratomas</li> <li>Professor's Challenge: GU Anomalies</li> <li>Physical Exam of the Pediatric Scrotum and Testes</li> <li>Acute Pediatric Intrasrotal Pain - Is It Torsion?</li> <li>Urobowl: Pediatric Scrotal Disorders</li> <li>Urobowl: Progressive Reflux Nephropathy</li> <li>Imaging Recommendations for Pediatric Lower Urinary Tract Disorders</li> <li>Current Concepts in the Management of Pediatric Ureteropelvic Junction Obstructions</li> <li>Clinical Approach to Ambiguous Genitalia</li> <li>Congenital Ureteral Disorders</li> <li>Is it obstructed?</li> <li>Pediatric Retroperitoneal Masses</li> <li>Radiologic Identification of Congenital GU Anomalies</li> <li>Fundamentals of Congenital Adrenal Hyperplasia</li> </ul>	
Con 611. Anatomy Lab instructor, OHSU	1992 - present
Con 611. Clinical Correlation: GU Tract Development, OHSU	1992 -present
Surg 720. Surgery Teaching Session Lectures, OHSU	1993 - present
<ul style="list-style-type: none"> <li>a) Clinical Presentations of GU Disorders in Children</li> <li>b) Urinary Tract Infections in Infants and Children</li> <li>c) Student Advisor in Pediatric Urology</li> </ul>	
Principles of Clinical Medicine Course, Genitourinary Physical Examination, OHSU	1993 - present
Con 714/715: Principles of Clinical Medicine 2, Preceptor, OHSU	1994 - present
Con 715: Principles of Clinical Medicine 2: Small Group Facilitator OHSU	1994 - 1995
Con 717: Transition to Clerkship Workshop, Suture Techniques and Knot Tying, OHSU	1994 - present
Urology Mock Boards: Examiner	1994 – present

Co-Program Director, Surgical Problems in the Pediatrician's Office, Division Of Continuing Medical Education, Oregon Health Sciences University, Portland, OR	Apr 1994
Program Chairman: OHSU School of Medicine Continuing Education: Evaluation and Management of Voiding and Bowel Dysfunction in Children Symposium, Portland	Jan 1995
Program Chairman: Division of Urology Somner Lecture Series, School of Medicine Alumni Association, Portland, OR	May 1995
Program Chairman, Research Heights: A View from the Hill. OHSU School of Medicine Alumni Association and OHSU School of Medicine Division of Continuing Education	Oct 1995
Program Coordinator: 81st OHSU School of Medicine Alumni Association Annual Scientific Meeting, Sommer Lectures	May 1996
12. <u>RESEARCH PROTOCOLS:</u>	
Serum Polyamines as a Tumor Marker in Testicular Tumors	1980-1982
Participant in the National Prostate Cancer Project Protocols National Cancer Institute grant, Walter Reed Army Medical Center	1980-1986
Comparative Study of Two Doses of Cefulodin Sodium with an Aminoglycoside in Patients with Urinary Tract Infections due to Pseudomonas Aeruginosa (Industrial Grant)	1982
Co investigator: National Prostatic Cancer Project National Cancer Institute grant (David McLeod, Principle Investigator), Walter Reed Army Medical Center	1982 - 1984
Clinical Trial of E8019 Penile Prosthesis (Industrial Grant)	1983
Co-Investigator - National Bladder Cancer Group, National Cancer Institute grant (David McLeod, Principle Investigator), Walter Reed Army Medical Center	1984 - 1986
Vesicoureteral Reflux, Computer Analysis of 545 Patients, supported By the Department of Pediatric Urology, Children's Hospital, Washington, D.C.	1986
Determinants of Fertility in the Mouse Varicocele Model. Walter Reed Army Institute of Research Grant	1988
Associate Member, Co-Principle Investigator, National Cancer	

Institute grant, Walter Reed Army Medical Center, Pediatric Oncology Group	1988-1992
Response Patterns to DDAVP (Desmopressin Acetate in the Treatment of Nocturnal Enuresis as a Function of Change in Urine Osmolality (Rhône-Poulenc-Rorer grant, Investigators: H. Gil Rushton, MD, A. Barry Belman, MD, Mark Zaontz, MD, Steven Skoog, MD \$60,000 Grant)	1992
A Phase III, Open Label, Long Term Safety and Efficacy Study of DDAVP Tablets in the Treatment of Primary Nocturnal Enuresis (PNE Poulenc-Rorer, Investigator: Steven Skoog \$50,000 Grant)	1994
A Phase II, Randomized, Double Blind, Placebo Controlled Parallel Group Study of DDAVP Tablets in Patients with Primary Nocturnal Enuresis (PNE) Rhône Poulenc-Rorer grant \$40,000)	1994
A prospective, randomized study to compare ciprofloxacin versus established Comparative regimens in the treatment of complicated urinary tract infections Or pyelonephritis. (Bayer Corporation - \$90,000 grant)	1999
Genechip array analysis of vesicoureteral reflux	1999
Deflux in the correction of Vesicoureteral reflux (Q-Med grant \$80,000)	2002
Parenteral Preferences in the Treatment of Vesicoureteral Reflux	2006
Randomized Intervention for Children with Vesicoureteral reflux (RIVUR) National Institute of Diabetes and Digestive and Kidney Diseases (\$350,000)	2007
Urinary tract Infections Following Successful Correction of Vesicoureteral Reflux with Deflux Injection.	2007

15. PRESENTATIONS:

**International:**

The Adolescent Varicocele: What are the Options? Urology Grand Rounds, King Fahd Military Medical Center, Dhahran, Saudi Arabia Dec 1990

The Dhahran Scud Missile Mass Casualty, King Fahd University Hospital, King Fahd Military Medical Center, Dhahran, Saudi Arabia Mar 1991

**National:**

Leiomyosarcoma of the Inferior Vena Cava Presenting as a Suprarenal Mass. AUA Residents' Conference, Kansas City, KS	Apr 1982
The Posterior Lateral and Retrorenal Colon: Implications in Percutaneous Stone Surgery - Poster Session, Third World Congress on Endourology, New York, NY	Sept 1985
Ureterorenoscopy. The Walter Reed Army Medical Center Experience. Kimbrough Urological Seminar, Seattle, WA	Nov 1985
A Nonsurgical Approach to the Management of Primary Vesico-Ureteral Reflux	
A) Mid-Atlantic Section, AUA Annual Meeting, Bermuda	Oct 1986
B) Kimbrough Urological Seminar, San Antonio, TX	Oct 1986
C) Section of Urology, American Academy of Pediatrics Washington, D.C.	Nov 1986
Prune Belly Syndrome: A Comprehensive Approach to its Management	
A) Mid-Atlantic Section AUA, Bermuda	Oct 1986
B) Grand Rounds, George Washington University Hospital, Washington, D.C.	Oct. 1986
C) Urology Grand Rounds, Henry Ford Hospital, Detroit, MI	Nov 1986
Aphallia: Suggested Management Techniques - Mid-Atlantic Section, AUA, Homestead, VA	Oct 1987
Aphallia: Psychological Consequences and Surgical Management. <b>Invited Speaker</b> , Poster Session. Advances in Pediatric Educational and Scientific Forum, Children's National Medical Center, Washington, D.C.	Apr 1988
Cellular Mesoblastic Nephroma - What Are the Implications? Surgical Guest Lecturer, Pediatric Oncology Group, Orlando, FL	Apr 1988
Risk Factors for Perineal Seeding of Prostate Cancer: Mid-Atlantic Section, AUA Meeting, Baltimore, MD	Sept 1988
Congenital Cellular Mesoblastic Nephroma. What are the Options?	

- A) Mid-Atlantic Section AUA, Baltimore, MD Sept 1988
- B) Urology Section, American Academy of Pediatrics,  
San Francisco, CA Oct 1988
- Flow Cytometry: Quantitative Analysis of Spermatogenesis in the  
Rat Varicocele Model. **Invited Speaker**, Urologic Basic Science Seminar,  
George Washington University, Washington, D.C. Jun 1989
- The Modified Feminizing Genitoplasty - Its Application to the  
Patient with Ambiguous Genitalia. Kimbrough Urological Seminar,  
San Antonio, TX Dec 1989
- Clinical Evaluation and Surgical Management of Ambiguous Genitalia.  
Invited Speaker, Grand Rounds, University of Colorado, Denver, CO Mar 1990
- Flow Cytometry of Fine Needle Aspiration of the S-D Rat Testis:  
Defining Normal Maturation and the Effects of Multiple Biopsies,  
Section on Urology, American Academy of Pediatrics, Boston, MA Oct 1990
- Laparoscopy for Non-palpable Testes in Childhood - Is Inguinal  
Exploration also Necessary When Vas and Vessels Exit the  
Inguinal Ring? Section on Urology. American Academy of  
Pediatrics, New Orleans, LA Oct 1991
- Invited Moderator**: Topic: Testis. Section on Urology, American Academy  
of Pediatrics, New Orleans, LA Oct 1991
- Urinary infection and Reflux in the Black Child. Kimbrough  
Urologic Seminar. Baltimore, MD Dec 1991
- The Posterior Sagittal Approach to the Prostatorectal Fistula.  
American Association of Pediatric Urologists. San Diego, CA Jan 1992
- Flow Cytometry in the Evaluation of the Adolescent Varicocele.  
American Association of Pediatric Urologists. San Diego, CA Jan 1992
- New Developments in Pediatric Urology, American Academy of Pediatrics.  
**Invited Speaker**, 26th Annual Uniformed Services Pediatric Seminar.

Washington, D.C.	Mar 1992
Hypotrophy Alone is the Indication for Surgery in the Adolescent with a Varicocele. <b>Invited Speaker</b> , American Society of Andrology. 17th Annual Meeting, Washington, D.C.	Mar 1992
Flow Cytometry of Testis Biopsy in the Adolescent With a Varicocele. Kimbrough Urological Seminar. Seattle, WA	Nov 1992
The Testis Tumor of Adrenogenital Syndrome, American Academy of Pediatric Urology Annual Meeting, Park City, UT	Jan 1993
Flow Cytometry in the Evaluation of Spermatogenesis in the Adolescent Male with a Varicocele and a Testicular Volume Discrepancy: Comparison with Histopathology	
A)    AUA, San Antonio, TX	May 1993
B)    Western Section, AUA, Palm Desert, CA	Nov 1993
The Modified Feminizing Genitoplasty and Its Application to Intersex Disorders	
A)    NW Urological Society, Portland, OR	Dec 1993
B)    AUA, San Francisco,	May 1994
Update in Pediatric Urology - Prune Belly Syndrome, <b>Invited Speaker</b> , AUA Post-Graduate Course - Pediatric Urology, San Antonio, TX	May 1993
Response to DDAVP as a function of urine osmolality in the treatment of Monosymptomatic nocturnal enuresis. American Academy of Pediatrics, Section on Urology, Dallas, TX,	Oct 1994
Cryptorchidism, Pediatricians, and Family Practitioners: Patterns of Practice and Referral. Urology Section, American Academy of Pediatrics. Dallas, TX	Oct 1994
Response to DDAVP as a Function of Urine Osmolality in the Treatment of Monosymptomatic Nocturnal Enuresis: A Double-Blind prospective Study. Urology Section, American Academy of Pediatrics. Dallas, TX	Oct 1994
<b>Invited Moderator</b> . The Testis. Urology Section, American Academy of Pediatrics. Dallas, TX	Oct 1994

Prune Belly Syndrome: A Urologic Peril. <b>Invited Speaker</b> , American Urological Association Allied Annual Meeting, San Francisco, CA	May 1994
Cryptorchidism, Pediatricians, and Family Practitioners: Practice and Referral. Western Section, American Urological Association, Scottsdale, AZ	Nov 1995
<b>Invited Moderator</b> : Session on the Testis. Urology Section, American Academy of Pediatrics, San Francisco	Oct 1995
Testis Sparing Surgery for Steroid Unresponsive Testicular Tumor of Congenital Adrenal Hyperplasia. American Urological Association Annual Meeting, Orlando, Florida	May 1996
Oral Desmopressin (DDAVP): A randomized, double blind, placebo controlled study of effectiveness in children with primary nocturnal enuresis (PNE), Section on Urology, American Academy of Pediatrics, Boston, MA	Oct 1996
Treating Pediatric Ureteroceles with KTP/532. AUA Annual Meeting, Orlando, Florida	May 1996
Ambiguous Genitalia: Surgical Management. Urology Grand Rounds, University of Texas Health Sciences Center, Houston, Texas	May 1997
Cryptorchidism: Mechanism, Diagnosis, and Management 1997. Pediatric Grand Rounds, University of Texas Health Sciences Center, Houston, Texas	May, 1997
<b>Invited Moderator</b> : Pediatric Urology session, Western Section, American Urological Association, Salt Lake City, Utah	Sept 1997
Long-term Efficacy of DDAVP in the Treatment of Primary Nocturnal Enuresis, Section on Urology, American Academy of Pediatrics, New Orleans	Oct 1997
<b>Invited Moderator</b> : The Testis. Section on Urology, American Academy of	

Pediatrics, New Orleans, Louisiana	Oct 1997
Menke's Disease: Rethinking the Urologic Approach. American Association of Pediatric Urologists Annual Meeting. Cancun, Mexico	Jan. 1998
<b>Faculty: Postgraduate Course:</b> Update in Pediatric Urology. American Urological Association annual meeting, San Diego, CA	June 1998
<b>Invited Moderator:</b> Voiding dysfunction, Section on Urology, American Academy of Pediatrics, San Francisco, CA	Oct 1998
<b>Invited Faculty:</b> Intersex: Controversies in Present Day Management. Selected short subject, American Academy of Pediatrics, San Francisco, CA	Oct 1998
MRI in the Management of Intersex Disorders, Western Urologic Forum Cabo San Lucas, Mexico	Feb 1999
<b>Invited Speaker:</b> Undescended Testis, Varicocele, Benign Scrotal Masses, Postgraduate Seminar: Update in pediatric urology AUA annual meeting, Dallas, TX	May 1999
<b>Invited Faculty:</b> Intersex: Paradigms in Transition; Selected Short Subject, American Academy of Pediatrics, Washington DC	Oct 1999
<b>Invited Faculty</b> Update on Pediatric Urology. Postgraduate seminar. AUA Annual Meeting, Atlanta, Georgia	April 2000
<b>Invited Speaker:</b> The intersex dilemma: a paradigm shift. Winter Pediatric Urologic Forum, Beaver Creek, Colorado	Feb. 2001
<b>Invited Speaker:</b> Adolescent varicocele in the new millennium. Winter Pediatric Urologic Forum, Beaver Creek, Colorado	Feb 2001
<b>Invited Faculty:</b> Update on Pediatric Urology. Postgraduate Course. AUA Annual Meeting, Anaheim, CA	June 2001
<b>Invited Moderator:</b> Hypospadias: Section on Urology, American Academy Pediatrics, San Francisco, Ca.	Oct 2001
<b>Invited Faculty:</b> Outpatient management of pediatric urinary tract infections Plenary session, AUA Annual Meeting. Orlando, Florida	May 2002

<b>Invited Faculty:</b> Update in pediatric Urology. Postgraduate course. AUA Annual Meeting. Orlando, Florida.	May 2002
<b>Invited Faculty:</b> Cryptorchidism- Current concepts and management. Amer. College Surgeons Meeting. San Francisco	Oct. 2002
<b>Invited Moderator:</b> Posterior Urethral Valves. Section on Urology, AAP, Boston, MA	Oct. 2002
<b>Invited Faculty:</b> Intersexuality: The Management Paradigm Shift. Kimbrough Urology Seminar. Washington D.C.	Dec. 2002
Deflux in the Treatment of Vesicoureteral Reflux: initial Results, Pediatric Urology Winter Forum, Whistler, Vancouver B.C.	Feb 2003
Deflux for Reflux: a paradigm shift? Western Urologic Forum Maui, Hawaii	Mar 2003
Evidence-Based Practice in Spina Bifida: Developing a Research Agenda: What is the evidence that bladder management (CIC, anticholinergics) is effective in the preservation or renal function? Washington, D.C.	May 2003
<b>Invited Faculty:</b> Update in Pediatric Urology. Postgraduate course. AUA Annual Meeting.	May 2003
<b>Invited Moderator:</b> Voiding Dysfunction in the pediatric patient. Section on Urology; AAP Annual Meeting. New Orleans, LA	Oct. 2003
Rare Genitalia Anomalies and Problems Encountered. Western Urologic Forum, Sonoma, Ca.	Apr 2004
<b>Invited Faculty:</b> Evidence-Based Practice in Spina Bifida: Developing A Research Agenda. Section on Urology AAP Annual Meeting. San Francisco, CA	Oct 2004
Neurofibromatosis and the Urologist: Lessons Learned. Pediatric Urologic Forum. Vancouver B.C.	Feb 2005
Pediatric Neurofibromatosis and its Urologic Management. Western Urologic Forum, Scottsdale, AZ	Mar 2005
