

**OREGON HEALTH SCIENCES UNIVERSITY  
RV PARKING**

**RV SPACES:**

To qualify for OHSU RV parking, a patient or relative of a patient in an active treatment program at OHSU must occupy the RV. Patients and their families will be accommodated on a space available basis. The following questions should be asked when the reservation is being made:

- ◆ Do you need electrical hookup? (If so, spaces 3-6 should be assigned, self contained go to spaces 0-2)
- ◆ With electrical hookup, a \$25 deposit is charged for use of the key that unlocks the electrical box. Check or credit card only. Upon departure date, and return of our key, the check or credit slip will be returned.
- ◆ How long will you be staying? (If more than 12 days, notify parker of pay schedule, and maximum duration of one month)
- ◆ When reporting to OHSU, please bring your confirmation letter. If you check in after hours, please show Public Safety your confirmation letter, and they will open the lock box for you. Keys for the electrical boxes will be issued only during working hours to RV parkers with a reservation.

All RV's must have current permits registered and issued by the OHSU Parking Office. After 12 days there will be a charge of \$10.00 per day for electrical hook-up with a maximum of \$150.00 per month. The maximum stay in our lot is one month. Anything additional will need approval by the OHSU Parking Department.

**DRINKING WATER:**

A water supply station for RV's is available outside of the locked gate at the Vehicle Maintenance Garage, located at the West end of the parking lot.

**RV WASTE DISPOSAL:**

**SEWAGE TANK DRAINING SERVICES:**

SCHULZ-CLEARWATER at 692-9009 can come to campus and drain tanks. They will come to campus on **Wednesdays** only. The charge is approximately \$27.50.

**PETS:**

No pets will be housed outside vehicles. Pets must be on a leash when outside a vehicle. All pet waste clean-up is the responsibility of the owner.

**TRANSPORTATION:**

In emergencies or if you are unable to walk to the bus stop, you can call OHSU Public Safety Department at 4-7744. Transport for you will be at the earliest available time.

The University reserves the right to initiate fines for improper sewage disposal and to remove vehicles from OHSU property for non-compliance with State rules and regulations.
