

## CONFERENCES AND MEETINGS

Teaching conferences at the University are mandatory for both AP and CP residents on university services. These are highlighted on the conference schedule below. Each of the affiliated hospital services conducts teaching conferences, the schedules for which are also provided.

The house staff meets with the Program Director and the Chair quarterly: all residents, fellows and student fellows are expected to attend.

Each resident can expect to be assigned the responsibility of presenting cases, technical information and/or scholarly work in various settings throughout the year. These include:

Autopsy Conference	Regional Pathology Meetings
Morbidity And Mortality Conferences	Research Conferences
National Scientific Meetings	Sectional Case Conferences
	Tumor Boards
