

2008-2010 Didactic Lecture Schedule

Lectures will be in the Richard T. Jones Hall Room 1385. Attendance by residents is mandatory. Student-fellows are required to attend AP lectures only. Each lecturer will receive a reminder by email or phone two weeks prior to the scheduled time. Please contact Christine Bartley (494.4110 / bartley@ohsu.edu) for any questions or changes. Schedule is also posted at http://www.ohsu.edu/pathology/Handbook/schedules/Didactic08_10.pdf

All other conferences, including LM Call Rounds and those in various subspecialties, are attended as directed by the individual's interest, available time AND the directions of the chief of service on which the resident or fellow is currently rotating. Curriculum is based on a two-year interval. Please contact Christine Bartley for more information.
