

Preventive Medicine Residency Application Checklist

Applicant Name: _____

Application Materials:

- Signed OHSU Application Form
- MPH Degree Transcripts *or*
- Notification that an application has been submitted for the Epidemiology & Biostatistics track or the Health Management & Policy track of the [Oregon MPH program](#) (*a separate application is required for the MPH track of interest*)
- MD Degree Transcripts
- MCAT or GRE Certified Score Report
- Licensure Exam Score Reports ([USMLE Steps 1, 2, & 3](#); [FLEX](#); *or* [NBME](#))
- Documentation of Oregon Medical License *or*
- Oregon License and Eligibility Questionnaire
- Current Curriculum Vitae
- Personal Statement (*one-page statement of career goals, specific areas of interest, and an explanation of why this training site is being pursued*)
- Medical School Dean's Letter (*must include dates*)
- Letters of Recommendation from Residency Directors of all previous residency programs (*must include dates, location and verification of completion*)
- 2 Letters of Recommendation from physicians or medical scientists having particular knowledge of the applicant's ability or performance

***All official academic transcripts, Dean's letters, licensure certification, and test score documents must be original documents received in sealed envelopes directly from academic institutions or accreditation bureaus. Copies are not accepted.**

***Letters of reference must be original documents. However, current ERAS letters will be accepted if copies are sent directly from the medical school to the Preventive Medicine Residency. (We do not accept ERAS electronic applications.)**

Note: we can only accept applicants who have completed at least their first postgraduate year.

For Department Use Only
