SEARCHING

Clicking on the **Search** link from the left side of the screen, displays the following:

The screenshot shows the OHSU Jellyfish Search page in Microsoft Internet Explorer. The address bar shows the URL: <http://oraport2:7041/jpk/rsuser/?ip=132:1:3238816008938323431:NO::>. The page features a navigation menu on the left with links for Home, Search, Projects, and TRC Report. The main content area displays the heading "Home > Search" and a message: "Please use one or more Search fields to locate the Project and Status." Below this message, there are three search form sections: "Project Information", "Sponsor Information", and "Industry Clinical Trials Information". Each section contains several text input fields. The "Project Information" section includes fields for PI Name, Project Title, Project Start Date, PPO Number, and Award Organization. The "Sponsor Information" section includes fields for Originating Agency, Awarding Agency, Agency Award Number, and Funding Mechanism. The "Industry Clinical Trials Information" section includes fields for CRO, CRO Contact, Investigator Initiated (radio buttons for Y and N), Sponsor Contact Info, Subaward Contact, and IRB Number. At the bottom of the search area, there are "Find" and "Clear" buttons.

From the Search window, select one or more search criteria. In this example, PI Name will be used.

Click once on the icon to the right of the PI Name field (a second window will appear). Type in the PI's name, click Search, and then select your value from the list.

The screenshot shows a web browser window titled "Project Create/Edit - Microsoft Internet Explorer". The address bar contains the URL: `http://oraport2:7041/pls/risur/f?p=132:8:323881600893823431::NO::`. The page content includes a navigation menu on the left with links for Home, Search, Projects, and TRC Report. The main area is titled "Home > Search" and contains the instruction: "Please use one or more Search fields to locate the Project and Status." There are four search sections: "Project Information" (with fields for PI Name, Project Title, Project Start Date, PPQ Number, and Award Organization), "Sponsor Information" (with fields for Originating Agency, Awarding Agency, Agency Award Number, and Funding Mechanism), "Industry Clinical Trials Information" (with fields for CRO, CRO Contact, Investigator Initiated, Sponsor Contact Info, Subaward Contact, and IRB Number), and "RDA Information" (with fields for Pre Award Office, Pre Award Analyst, and Post Award Analyst). "Find" and "Clear" buttons are located at the bottom right of the search area. A box highlights the dropdown icon next to the PI Name field.

The screenshot shows a "Search Dialog - Microsoft Internet Explorer" window. The search input field contains the text "orwoll". Below the input field is a list of search results, each preceded by a blue underlined link icon. The results are: Acevedo, Summer F, Ahmann, Andrew J, Al-Uzri, Amira Y, Allen, Charles Norman, Allen, Duane M, Almers, Wolfhard, Anderson, Kelly D, Andresen, Michael C, Anger, Wyndham Kent (Kent), and Ashraf, Muhammad. At the bottom of the dialog, it says "Row(s) 1 - 10" and there is a "Next >" button.

Once you have chosen your search value, the field is populated on the Search page. Click once on the **Find** button.

If you want to use a new search criterion, then click on the Clear button located to the right of the Find button.
