PROFESSIONAL EXPERIENCE

- 07/03-present *Promoted to Assistant Professor
Oncology Faculty-In-Resident
OHSU, School of Nursing, Portland, Oregon*
- 09/00-6/03 *Instructor
OHSU, School of Nursing, Portland, Oregon*
- Responsible for the undergraduate clinical teaching and supervision. Course coordinator for senior reflective class. Involved in graduate CNS program planning. Clinical sites include general medical-surgical, cancer, orthopedic, and trauma patients. Oncology one-faculty-in-resident appointment since 7/02.
- 02/00-07/00 *Consultant
LDS Hospital, Salt Lake City, Utah*
- Consultant to oncology/bone marrow transplant (BMT) nurse manager
- 02/99-02/00 *Clinical Nurse Specialist
LDS Hospital, Salt Lake City, Utah*
- Responsible for the clinical management of med-surg, surgical/medical oncology, gu/gyn oncology, and BMT patient populations. Functioned as an expert clinician, educator, consultant, and researcher. Developed, implemented, and coordinated training programs/in-services on preceptorship, team building, skills day, oncology, & BMT nursing.
- 10/96-08/98 *Clinical Nurse Educator, Staff Development
University Medical Center, Tucson, Arizona*
- Developed, implemented, and coordinated training programs on oncology nursing, med-surg, internships, and psychiatric nursing. Provided orientation programs to new nurses, preceptors and charge nurses. Worked closely with patient care managers for educational needs of staff nurses.
- 08/94-08/98 *Research Nurse & Senior Research Nurse
University of Arizona, Tucson, Arizona*
- Worked part-time with an epidemiologist on a selenium study. Obtained and completed the documentation of reported cases of significant illnesses and cancers in the Nutrition Prevention of Cancer Project funded by NCI. Reviewed and monitored status and coding of illness and cancer documentation of all participants in the study. Promoted to Senior Research Nurse on 5/96, responsibilities expanded to interviewing, hiring and training new research nurses.
- 07/94-10/96 *Clinical Nurse, Hemotherapy
University Medical Center, Tucson, Arizona*

Performed apheresis procedures on both donors and patients including cytopheresis, plasmapheresis, autologus and phlebotomy. Performed peripheral stem cell and bone marrow infusion. Operated, calibrated, and maintained apheresis equipments. Participated in platelet donor's recruitment activities.

07/91-07/94 *Nurse Manager, Internal Medicine, Oncology, and BMT
University Medical Center, Tucson, Arizona*

Managed, facilitated, and coordinated over all activities and functions of an oncology and internal medicine unit of twenty-three beds and a bone marrow transplant unit of 6 beds with 24-hour responsibility. Supervised seventy to eighty staff (RN, LPN, PCT, PSA, UA, Volunteer), prepared and managed wage and non-wage budgets. Developed and monitored unit procedures, standards, and continuous improvement. Facilitated professional education and staff development.

05/89-03/91 *Coordinator of Specialty Services, Department of Educational
and Consulting Services
LAC-USC Medical Center, Los Angeles, California*

Directed the administration of specialty services and supervised 8 to 10 instructors who provided educational programs in a 2,000 beds hospital. Assumed the duties of Director in her absence. Continued to teach and coordinate Oncology Nursing and Chemotherapy programs. Served as an adjunct professor of California State University in Los Angeles.

08/88-05/89 *Nurse Instructor, Department of Educational and Consulting
Services
LAC-USC Medical Center, Los Angeles, California*

Developed and implemented training programs on internal medicine nursing, oncology nursing, and emergency nursing. Provided orientation programs & medication clinic to new nurses. Worked closely with Nurse Managers for educational needs of staff nurses. Provided consultation to nursing and medical staff on cancer management and transcultural nursing.

02/89-12/90 *Clinical Nurse Specialist, Research
UCLA School of Nursing, Los Angeles, California*

Experimented with a computer expert system in assessing patients' problems. Identified and interviewed patients. Collected and analyzed data with the use of the expert system. Formulated nursing diagnosis. Provided inputs to nursing assessment instruments. Provided input for troubleshooting the computer system.

- 12/86-06/88 *Graduate Student*
UCLA Medical Center, Los Angeles, California
- Clinical focus: Hematology & Surgical oncology unit. Worked extensively with leukemia patients and surgical patients with sarcoma, melanoma, and breast cancer. Participated in family support group, psychosocial round for nursing staff, & bone marrow transplant grand rounds. Developed a hematology oncology orientation package for the unit. Master thesis: Informational needs of recently diagnosed Chinese patients.
- 03/87-08/88 *Clinical Nurse II*
UCLA Medical Center, Los Angeles, California
- Responsibilities included functioning as 12-hour shift team charge for 32-bed, solid tumor, medical oncology ward. Participated in planning, coordinating, providing and evaluating total patient care. Worked with solid tumor patients who were receiving chemotherapy and/or radiation treatment. Worked extensively with patients receiving parenteral nutrition & taught patients about TPN infusion & Hickman care before discharge.
- 03/86-03/87 *RN II*
California Hospital Medical Center, Los Angeles, California
- Responsibilities included evening charge of 20-bed general Medicine/Surgical ward. Participated in planning, coordinating, providing and evaluating total patient care on a medical-surgical and orthopedic unit.
- 01/85-03/86 *RN I and Student Nurse*
Women's Community Clinic, San Jose, California
- Functioned as team leader at an OB outpatient clinic. Provided OB clinical teaching and counseling.
- 07/85-03/86 *Nurse's Aide*
Staff Building Health Care Services, San Jose, California
- On call registry nurse's aide, private home duties.
- 09/84-02/85 *Team Member*
Westside Hospital, Fremont, California
- Participated and led psychiatric group meetings. Supervised patients with daily care.
- 06/84-07/84 *Medical Volunteer*
Heng-Chun Christian Hospital, Heng-Chun, Taiwan
- Provided medical missionary nursing work and home visits
