

Title: UNDERGRADUATE COURSE ADMINISTRATION:
ATTENDANCE
Index #: 20-05.03
Division: ACADEMIC
Section: COURSE ADMINISTRATION
Effective Date: 9/1/86

Policy Statement

Satisfactory achievement of the educational goals and objectives of each course normally will require regular class attendance.

Such a requirement applies in particular to courses in which the direct care of patients is expected, where the learning of a skill is necessary, or some other demonstration of responsibility is expected. In these courses, attendance is required unless absence is excused.

Implementing Procedures:

Responsible Party	Action
Course Coordinator	<ol style="list-style-type: none">1. Determines attendance requirements in relation to the course objectives.2. Communicates attendance requirements to the students taking the course.
