

Check list of helpful things to take care of during the first week as a student in the School of Nursing

- ___ Check with Parking Office for carpool information or annual pass for Tri-Met

- ___ Check in with your program office staff for compliance questions

- ___ Order name badge from OHSU Bookstore if necessary for your program. NOTE: This is not the same as your OHSU student ID badge, but a smaller rectangular pin style name badge to be worn at all clinical sites

- ___ Obtain a library bar code at the Information desk in the Library, 3rd floor of the BICC (Biomedical Information Communications Center)

- ___ Obtain copy code for all campus copy machines

- ___ Visit the SoN Computer Classroom, Rm 128, and verify that your "Novell" and "GroupWise" passwords are working. Change your passwords after successfully logging in

- ___ Order scrubs if necessary for your program. These can be ordered through the OHSU bookstore. Additionally, there will be company representation at the Orientation Fair, although there are many resources for purchasing scrubs
