

Research Grant Reviewer Opportunity!

- Are you a member of American Nurses Association?
- Do you have an earned Doctorate?
- Have you completed at least one postdoctoral research activity involving submission of proposals for peer review for internal/external funding?
- Are you looking to gain valuable experience in the review process of a well-established grant program?

If you answered "yes" to the above questions, then you should apply to become an ANF Research Reviewer in partnership with an organization that has awarded over \$3.5 million to more than 950 nurse researchers since 1955.

Reviewer Responsibilities: Volunteer for ANF by critiquing research grant proposals

Nursing Research Grant Reviewers (NRGR): Individuals who would like to serve as grant reviewers only, especially in areas of expertise. This committee is not required to participate in the final awards conference call and does not require travel. The review period is June 9 – July 11, 2008. The service commitment is 3 years. If you are interested, please complete the application below and forward to Holly Blackledge, ANF@ana.org, by May 1, 2008.

Committee Member Responsibilities: Volunteer for ANF by critiquing research grant proposals and recommending specific awards.

Nursing Research Review Committee (NRRC): Seasoned investigators, as well as those with research success in early post-doctoral years are invited to apply to serve on the NRRC as primary reviewers of the NRG grants. This committee will review grants and determine awards during a 2 day conference call, August 25-26, 2008. No travel is required. The review period is June 9 – July 11, 2008. The service commitment is 3 years. If you would like to serve on the NRRC, please complete the application below and forward to Holly Blackledge, ANF@ana.org by May 1, 2008.
