Since 1926, OHSU Doernbecher Children’s Hospital has kept its doors open thanks to a community of supporters who believe in the importance of making specialized care available to all children in our region. Today, we’ve grown into a nationally ranked children’s hospital, offering an ever-expanding array of services and an unmatched level of care. As part of Oregon Health & Science University, the state’s only academic health center, Doernbecher has specialists in every major area of pediatrics including cancer, heart disease, cardiac surgery, diabetes, kidney disease, trauma, neonatal and pediatric intensive care.

The 2017 Heart of Doernbecher will be an evening filled with gratitude and celebration, commemorating 90 years’ worth of healing, innovation and philanthropy at Doernbecher Children’s Hospital. This special evening will feature inspirational stories, magical milestones from the last nine decades and musical entertainment. The Heart of Doernbecher’s new format will honor the donors and partners who have given generously to Doernbecher throughout its 90-year history and the wonderful work being done every day on behalf of our region’s children and families. There will no auction or paddle raise this year, just gratitude.

We invite you to join us as a sponsor of the Heart of Doernbecher to help us celebrate the commitment and generosity of thousands of supporters who help make the comprehensive and innovative healthcare, education and research possible at Doernbecher Children’s Hospital.

Thank you for considering sponsorship!
