Kids Making Miracles for Doernbecher

Every year, KMM engages kids in community fundraising programs across Oregon and southwest Washington. Through everything from bake sales to pageants, KMM kids are raising serious money for the hospital. What's more, they are developing their own organizational and communication skills while gaining early exposure to the power of philanthropy to help others in need.

The Kids Making Miracles Executive Council involves a small group of student representatives who work closely with the Doernbecher Foundation to oversee general program activities. Participation on the council builds leadership skills and a keen understanding of philanthropy and it can be a rewarding and fulfilling experience for many students. If you are interested in becoming a part of the council, please complete the application on the backside of this document.

Please return your completed application to the Doernbecher Foundation:
