Dear [First Name],

Thank you for your generous gift to help me fundraise for [Event Name] benefitting OHSU Doernbecher Children's Hospital.

Doernbecher cares for tens of thousands of children each year from Oregon, Southwest Washington and around the nation and the hospital relies on philanthropy to provide the best possible care to every child who needs it.

The event was a huge success! With your help, my volunteer committee and I raised \$[XX] to benefit children and families at Doernbecher.

Thank you for your support!

Sincerely,

[Your Name]
