Large 33 minutes	\$10/month
Extra Large 50 minutes	\$15/month

Message Manager is software that makes it easier to manage your voice mail. It requires a large voice mailbox and costs an additional \$5/month.

Type

- Voice mail (cost: see above)
- Bulletin Board (cost: \$10/month): Allows a greeting to be placed but no message is taken.
- Auto-Attendant, non-measured: (cost: \$25/month): Routes calls by allowing callers to choose from options.
