Members not paying for a full fiscal year will be issued a temporary permit that is valid for the amount of time they paid for, instead of a yearly sticker.

Members that qualify for payroll deduction will have a deduction on the first two paychecks of every month. Process for Renewal
Members have two options to renew their annual parking permits:

1. In-Person Renewal:

   Members may renew their 2 Diamond parking permit in person at the T&P CSC during hours of normal operation. Members must have with them:
   - OHSU Identification Badge.
   - Vehicle Registration (original or a copy) for any vehicle that has not previously been registered in the OHSU Parking Program. The vehicle must be registered to that Member or the Member must provide written permission from the registered owner to use that vehicle.
   - For permit holders that work less than full time, a work schedule or a letter on department letterhead from the Member’s manager verifying the Member’s FTE and work schedule is required.

   To be able to renew the parking permit, any current and/or previous ticket fines associated with the Member’s account/vehicles must either be paid or under appeal.

   A T&P Public Service Representative (PSR) will enter the Member’s information into the T&P database. The PSR will prepare the requested permit for the Member and provide instructions on where to place the permit on the vehicle.

Members will complete the online renewal form on the T&P website and submit it to T&P for processing.

A PSR will enter the Member’s information into T&P’s database and prepare the requested permit for the Member. If the Member has requested to pick up the pass, the pass will then be placed in “Will Call” in the CSC. If the Member has requested delivery, the permit will be placed in “To Be Delivered”.

For Members working less than full time, a copy of their schedule or letter from their manager (on department letterhead) verifying their schedule must be provided to T&P.

**Use Guidelines & Limitations**

The 2 Diamond permit may be used to access and park in 1 or 2 Diamond permit parking areas only. The type of permit will be printed on the parking permit. OHSU uses a tiered parking system, meaning, 3 Diamond permit holders may park in 3, 2, or 1 Diamond lots, 2 Diamond permit holders may park in 2 or 1 Diamond lots, and 1 Diamond permit holders may only park in 1 Diamond lots.

2 Diamond parking permits may be used both on Marquam Hill and at the South Waterfront (SoWa) locations, within their respective Diamond zones, for up to 3 hours at a time in the reciprocal parking area. Parking permits may not be used at other satellite locations.
2 Diamond Parking permits are not valid in designated swing shift, disabled, patient or other reserved parking spaces or restricted areas. Please read signage carefully to avoid parking in one of the above mentioned locations.

In addition:
- It is the responsibility of the Member to notify T&P of any changes in their status.
- It is the responsibility of any OHSU Parker to appropriately display a parking permit at all times.
- It is the Members responsibility to ensure that they renew their parking permits before the permit expires.
- Payroll deductions for permits will continue until the parking permit is returned to T&P.
- Members may only renew for three or fewer vehicles.

Use Restrictions
- The permit may not be loaned or transferred to any other individual.
- The permit may only be used by the individual to whom it was issued.
- Failure to properly display the permit may result in a parking ticket.
- Failure to renew the permit when it has expired may result in a parking ticket.

Suspected Misuse
Any suspected misuse of a permit shall be reported to the Transportation and Parking Department for investigation and follow up and may result in immobilization of the vehicle, fines, criminal prosecution, and HR actions up to and including termination, or other actions as necessary.

Disqualification & Revocation
Members with a history of extensive and/or egregious parking or parking-related violations at OHSU may be disqualified from receiving a parking permit at the discretion of the Transportation & Parking Department.
