

Veterans Employee Resource Group Inaugural Meeting

Date: November 4, 2014

Location: Marquam Room (Mac Hall 1116)

Time: Noon-1 PM

What is an Employee Resource Group?

Employee Resource Groups (ERGs) are OHSU-sponsored, employee managed groups comprised of people of common background or similar interest. ERGs are for allies of those groups, too, like co-workers or family members. ERGs can provide opportunities for career development, social support, networking, mentoring and community participation. ERGs are supported by the Center for Diversity and Inclusion.

Purpose of inaugural Veterans ERG meeting:

The Affirmative Action & Equal Opportunity Department in cooperation with the Center for Diversity & Inclusion is starting an Employee Resource Group for Veterans—active, retired, reserves, students and family members or friends of veterans are all welcome. As the first meeting of the Veterans ERG, this will be an opportunity to meet other Veterans and their supporters and learn how this ERG can be beneficial to veterans and the OHSU community. Light refreshments will be served.

To learn more about the Veterans ERG, email aaeo@ohsu.edu. If you need accommodation to attend the event, contact the Center for Diversity & Inclusion at 503 494-5657 or cdi@ohsu.edu.
