

\$10 BOX LUNCH

Support Typhoon Haiyan Survivors

100% of proceeds will benefit relief operations of Mercy Corps in Central Philippines

Why should I support this effort? Over 11 million people in the Philippines are affected by the most powerful typhoon ever recorded. The box lunch sale will raise funds for Mercy Corps relief operations in typhoon-ravaged areas.

Who is organizing the fund-raiser? A grassroots group of Filipino-American OHSU employees from various departments and units have come together to plan the fund-raiser.

What is Filipino adobo? Pork or chicken cutlets slowly cooked in vinegar, crushed garlic, bay leaves, black peppercorns, and soy sauce. Adobo is served with white rice.

Is there a vegetarian option? Yes. We are offering a box lunch of vegetarian pancit (rice noodles stir-fried in light oil with vegetables) and lumpia (crispy egg rolls).

How do I place an order? Email your order to Marita Keppel at keppel@ohsu.edu. Box lunch orders must be received by Friday, November 29.

When / where do I get my box lunch? Pick up your box lunch at Sam Jackson Hall Room 5380B (Rheumatology Conference Room) on Wednesday, December 4. Cash and checks only, please.
