OHSU'S ASSESSMENT ACADEMY SERIES
WINTER 2017

11 Hours of Assessment development and training were offered in Winter 2017.

=76 Faculty and Staff participated in the pilot launch of the Assessment Academy Series.

84% of participants agreed with the statement "I learned new information and strategies that I can apply to my work or practice."

Learning Outcome:
Workshop participants will demonstrate an increase in their knowledge of assessment, improvement in their practice and strategies in educational pedagogy, and effective utilization of data to improve student learning and program effectiveness.
