“On behalf of the Center for Ethics in Health Care, I am pleased to present the 2008-2009 season of Bioethics Study Group Seminars. These interactive conversations with experts on current issues are a practical strategy for realizing Oregon's vision of health care that is compassionate, just and respectful. Bring your lunch and join in these thought-provoking discussions.”

Robert Potter, MD, PhD
Chair, Bioethics Study
Group, OHSU Center for
Ethics in Health Care
