

## DESCRIPTION

This conference is designed for ethics committee members, physicians, nurses, social workers, administrators, and other health professionals. Conference faculty will explore and define today's ethical issues challenging organizations and individuals.

## OBJECTIVES

Participants will explore four diverse areas in health care ethics:

1. Explore how health care institutions can broaden the scope, function, and effectiveness of ethics services.
2. Learn about recent research and innovations that involve integrating ethics with existing health care structures and processes.
3. Identify opportunities and learn strategies for incorporating ethical content into institutional policies.
4. Review educational models that strengthen and improve ethical analysis of clinical and organizational conflicts.
5. Improve important skills and competencies for health care ethics consultation.

## ACCREDITATION

### Accreditation

Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit

OHSU School of Medicine, Division of CME, designates this educational activity for a maximum of 13.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
