Fanning the Flames:
Empowering Leaders in Palliative Care

STATEWIDE PALLIATIVE CARE CONFERENCE

June 8, 2018
Eagle Crest Resort - Redmond, Oregon

Registration Required – Space is Limited
Registration: www.ohsu.edu
(1) Click on the Events page
(2) The Statewide Palliative Care Conference is the first event listed on the page
Registration Fee: $115.00

Sponsored By:
Central Oregon Health Council
OHSU Center for Ethics in HealthCare
STATEWIDE PALLIATIVE CARE CONFERENCE
Eagle Crest Resort - Redmond, Oregon

Keynote Speaker:
Joan Teno, MD, MS – Oregon Health & Science University

Conference Co-Chairs:
Donna Mills – Central Oregon Health Council
Susan Tolle, MD – OHSU Center for Ethics in Health Care

Target Audience:
Our audience includes social work, medical, nursing, chaplaincy and public health professionals, as well as anyone who wishes to broaden their knowledge of current palliative care issues.

Learning Objectives:
1. Discuss emerging challenges faced by palliative care programs around the state and share solutions.
2. Enhance compassionate communication skills by integrating palliative care teams to provide improved patient care.
3. Identify, discuss and share innovative approaches for psychosocial, spiritual and bereavement care.
4. Identify and participate in self-care opportunities.
5. Strengthen collaboration among palliative care and hospice professionals and programs statewide.

Credit Statement:
Accreditation
Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit
OHSU School of Medicine designates this live activity for a maximum of 7.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing: This program is currently approved by the OHSU School of Nursing for 7.42 Continuing Education contact hours. Provider is approved by the California Board of Registered Nursing, Provider Nursing Number CEP 5464.

Social Work: This program is pending approval.

Pharmacy: This program is approved for 7.75 Pharmacy Continuing Education contact hours.

Nursing Home Administrators: This program is approved for 7.75 general hours.

Acknowledgments:
Special appreciation goes to John Kinsman for the endowment he established to provide partial support for this conference and The Kinsman Foundation for their support to help underwrite this conference. The conference organizers express their appreciation to the Central Oregon Health Council and the OHSU Center for Ethics in Health Care for their support in co-hosting this year’s conference.

## 2018 Statewide Palliative Care Conference Breakout Sessions – Please choose one session using the online registration link.

**Friday, June 8, 2018**

### Breakout Session A

<table>
<thead>
<tr>
<th>Title</th>
<th>Speaker(s)</th>
<th>Session Objectives</th>
</tr>
</thead>
</table>
| A1 Helping Children Say Good-Bye                                    | Jan Crider, MA, ATR, CCLS              | 1. Explain ways to give difficult information to a child about a poor diagnosis and/or impending death of a loved one.  
2. Through stories and case examples, learn how to better communicate and support children during difficult times. |
| A2 Exploring Partnerships with Faith Communities to Enhance Palliative Care Program Success in Advance Care Planning Initiatives | Scott Johnson, M.Div, BCC  
Laura Mavity, MD                                      | 1. Discuss the importance of advance care planning and statistics.  
2. Discuss The Conversation Project (a national advance care planning initiative) at local and national levels and how to engage faith groups as community partners.  
3. Discuss how theology and end of life conversations and advance care planning are good “dance partners”.  
4. How to access resources to provide advance care planning support for your service area. |
| A3 Consult Jeopardy – Come Play!                                    | Kate Westmoreland, MD                   | Objectives not available at this time.                                                                                                                                                                               |
| A4 Review of Evolving Immunologic Therapies in Oncology and the Impact on the Palliative Care Team   | Jennifer Blechman, MD  
Stephen Kornfeld, MD                                                      | 1. Learn about new targeted and immunologic oncology therapies.  
2. Review the challenges these therapies may pose to the Palliative care team.  
3. Review strategies for the Palliative care team to work optimally with the Oncology care team. |

### Breakout Session B

<table>
<thead>
<tr>
<th>Title</th>
<th>Speaker(s)</th>
<th>Session Objectives</th>
</tr>
</thead>
</table>
| B1 Providing Palliative Care to Children: What’s the Same and What’s Different? | Bob Macauley, MD                        | 1. Identify areas of contrast and overlap between adult and pediatric palliative care.  
2. Empower attendees to take better care of children with life-limiting illness. |
| B2 Creating Cultural Change: Increasing Patient Access to Palliative Care in Primary Care Practices | Jennifer Blechman, MD  
Adriane Mackie, RN                                                       | 1. Describe our model of integrating nurse-driven palliative care in primary care clinics.  
2. Share patient outcomes, quality metrics, provider satisfaction, successes, and challenges.  
3. Collaborate with the group on strategies and possible solutions to increase access to palliative care. |
| B3 Palliative Care for Special Needs Populations                     | Maureen Nash, MD                        | 1. Participants will understand poorly controlled symptom clusters for those dying with dementia  
2. Know standardized tools to use to guide care. |
| B4 Palliative Care in Coordinated Care Organizations (CCOs): Opportunities for Innovation | Will Kennedy, DO                      | 1. Understand Coordinated Care Organizations (CCO) in depth.  
2. Understand the state of affairs with palliative care in CCOs across Oregon. |

### Breakout Session C

<table>
<thead>
<tr>
<th>Title</th>
<th>Speaker(s)</th>
<th>Session Objectives</th>
</tr>
</thead>
</table>
| C1 Rural Communities with Big Dreams: Developing Community-Based Palliative Care in Rural Areas | Donna Becker, MSW  
Stephen Kerner, DO                                      | 1. Discuss ways to develop and sustain community-based palliative care programs in rural communities.  
2. Explore techniques to address the challenges inherent in rural palliative care. |
| C2 POLST in Changing Times: New Developments and Challenges for us All | Susan Tolle, MD                         | 1. Understand why Oregonians are more likely to die at home.  
2. Learn why the use of POLST to provide code status orders is inappropriate.  
3. Analyze why home hospice POLST submission rates are so low and learn about Oregon POLST Quality Reports.  
5. Identify why so many POLST orders are being completed at age 65.  
6. Learn about new innovations in information sharing and education and explore new paths to better outcomes. |
| C3 How Precisely does Precision Medicine Align with Cancer Patient’s Real Goals? | Anthony Mistretta, MD                   | 1. Analyze the evidence that modern chemotherapy and targeted cancer therapies actually improve patient survival and, more importantly, quality of life.  
2. Develop a model that palliative care providers can use to provide evidence-based counseling to patients facing questions about initiation or continuation of palliative cancer therapies. |
| C4 The Hero Narrative in Hospice and Palliative Care                | Eric Walsh, MD                           | Objectives not available at this time.                                                                                                                                                                               |
# 2018 Statewide Palliative Care Conference – General Sessions

<table>
<thead>
<tr>
<th>Title</th>
<th>Speaker(s)</th>
<th>Session Objectives</th>
