Biographical/Historical

The Alumni Association of the University of Oregon Medical School was organized in 1913 with the aid of Adalbert G. Bettman, M.D. (class of 1907). The collection begins with a list of the names of the Presidents 1913-1950. Then follow the framed portraits of the Presidents from 1950-1987.

Scope and Contents

The collection comprises 37 framed black and white portraits of past alumni presidents. They are 10 3/4" long by 8 3/4" wide. The first consists of only the year of office, name and year of graduation. The first actual portrait begins with 1950-51. One item has cracked glass (Harry Blair 1955).

The framed images are housed in storage boxes in chronological order.
