

OHSU Library Closure Policy

1. The OHSU Library makes every effort to open and remain open during scheduled hours.
2. The OHSU Library will be closed or reduce hours when
 - OHSU declares Modified Operations;
 - Staffing levels required to keep the library functioning and secure are not met;
 - Classes are delayed or cancelled by the Provost; or
 - Academic office activities are altered by the Provost.
3. The OHSU Library's 24-hour spaces (the 4th floor of the Biomedical Information Communication Center (BICC) and the Graduate Learning Resource Center at CLSB) will be available via badge access even when the library is not open unless OHSU Public Safety decides to close them.
