

Program 5 Year Review Schedule

Program	Last Review	Next Review Date
Conjoint Course Review		September 2014
Molecular Microbiology & Immunology		October 2014
Computer Science & Electrical Engineering		December 2014
Environmental & Biomolecular Systems		January 2015
Biomedical Engineering		March 2015
Medical Physics		April 2015
Division of Management		May 2015
Physician Assistant Program		September 2015
Cancer Biology		November 2015
Biostatistics		December 2015
Dietetic and Human Nutrition	March 2011	January 2016
Behavioral Neuroscience	January 2011	March 2016
Medical Informatics & Clinical Epidemiology	October 2011	October 2016
HIP – Clinical Research	November 2011	November 2016
Cell & Developmental Biology	March 2012	January 2017
Physiology & Pharmacology	March 2013	March 2018
Molecular & Medical Genetics	April 2013	April 2018
Biochemistry & Molecular Biology	November 2013	November 2018
Public Health & Preventive Medicine	December 2013	December 2018
Neuroscience Graduate Program	January 2014	January 2019
