SKI PACKAGES	Skis/Boots/Poles
Adult Performance	Our Salomon performance line are lightweight, forgiving and fun all-mountain skis. With the addition of tip rocker, turns have never been easier and in the soft snow, floatation is greatly increased. We recommend these performance skis for any ability level looking to gain confidence on the mountain on or off the trail.
Adult Sport	Our Salomon sport line is for aspiring carving and progressing beginner and intermediate skiers who are looking for versatile all mountain skis. Featuring Power Platform and Comfort Flex technology, this line allows for easier turn initiating and control, most notably at the end of the turn to guarantee consistent precise steering and maneuverability.
Junior Sport	The Rossignol Junior ski is the ideal entry level Junoir ski, with a generous sidecut to help kids learn to turn.
SNOWBOARD PACKAGES	Snowboard/Boots
Adult Performance	From first turn to first 360, get right to the good times with the Burton Cruzer Rocker. Catch-free and forgiving continuous rocker combines with the effortless edge control for float, fun and overall easiness regardless of terrain or condition.
Adult Sport	The Burton Learn to Ride Sport Snowboard is the ultimate catch-free confidence booster. Featuring a softer flex, radical sidecut and forgiving edge bevel, the LTR boards are designed to get riders turning without the falls traditionally associated with learning to ride and is specifically designed for a rider's first couple of days on the snow.
Junior Sport	Our fleet of Burton LTR boards that feature the Easy Rider technology with a softer flex ideal for the young rider and a convex base shape from tip to tail that makes steering and stopping simple.
