

# OHSU Research Week

May 7 - 10, 2012

You are cordially invited to attend

## Oregon Health & Science University Research Week

May 7 -10, 2012, Old Library

This first annual Research Week conference will showcase the diversity and excellence of research being performed by faculty, students, research-ranked employees, post-docs, staff and others across OHSU schools, centers, institutes and education programs.

Research Week integrates the annual OHSU Student Research Forum, annual OCTRI events and awards, and other existing events. The four-day conference will include:

- Keynote speakers
- Scientific programming and poster sessions
- Opening reception and closing awards night
- Opportunities for socializing and networking with colleagues accross campus

Interested in volunteering?  
Have an idea for a speaker  
or program?  
Questions or comments?

Send an e-mail to  
[ResearchWeek@ohsu.edu](mailto:ResearchWeek@ohsu.edu)

Research Week is being developed by a steering committee representing research audiences and interests across OHSU.
