Title: Proteomic Insight into Cardiorenal Syndrome from a Novel Mouse Model

Speaker: Michael P. Hutchens, M.D., M.A.
Associate Professor
Department of Anesthesiology & Perioperative Medicine

Expertise: Renal Physiology
Cardiorenal Syndrome
Sex Difference
Cardiac Arrest and Cardiopulmonary Resuscitation
Cardiovascular and Surgical Critical Care

When: Wednesday, June 21, 2017
Pizza & Drinks at 4:00 PM
Talk from 4:15 PM - 5:00 PM

Where: MNP 3417 Conference Room

APOM Research Conference Description

The APOM Research Conference Series is a multidisciplinary seminar series that brings together basic science, clinical researchers and clinicians from various backgrounds, and provides investigators opportunities to discuss their research and to establish new research connections.

Join us to:
- See basic science, translational, and clinical research taking place in APOM
- Learn about new research in Perioperative, Critical Care and Pain Medicine
- Meet new collaborators
- Share project ideas
- Find research resources
- Get involved in APOM research
