

## Jessie Flynn Honored by Graduating Class of Medical Students

Jessie Flynn has been selected to receive the Humanism in Medicine Faculty Award to be presented at the combined Hooding/ Commencement ceremony to be held June 1. The following is taken from Julie's letter of notification:

Jessie Flynn, MD

*I write to you with warm greetings from the Class of 2010! Recently our class gathered to make important decisions about our rapidly approaching graduation and some of the most important of those decisions were in honoring the faculty who have contributed to helping us reach this landmark in our careers. I am very pleased to inform you that our class has selected you to receive the Leonard Tow Humanism in Medicine Faculty Award for exemplifying the tenets of a truly humanistic approach to patient care!*

*The Humanism in Medicine Award is the highest honor given to clinical faculty by the student body and represents a deep commitment to compassionate patient care and inspirational devotion to the wellbeing of the sick. Our class appreciates the important meaning of this award as we look to shape that same compassion and commitment in our own medical careers and actively seek mentors who exemplify it in their daily work.*

*Dr. Flynn, you are the perfect choice for this award because your passion for compassionate and humane patient care is palpable in the example you set for all of us on the wards and in the manner by which you teach important clinical skills in the lecture hall. From our class' earliest days at OHSU, you were instrumental in teaching us the clinical skills that would serve as the foundation for the care we bring to patients and even then, your commitment to serving all of the needs of the patient and their family was clear. On the wards, you have continued to mentor students while also serving as an incredible role model. The genuine generosity that you bring to your interactions with your patients, your colleagues, and your students is infectious. We all hope to embody what we see so abundantly in you in our own careers as physicians.*

*We hope that you will be able to join us at our combined Commencement and Hooding Ceremony on June 1<sup>st</sup> to accept the award with all of our class present. The ceremony begins at 9am at the Arlene Schnitzer Concert Hall at 1037 SW Broadway.*

Dr. Flynn was born and raised in New York City. She attended University of Michigan undergraduate and medical school, and as an undergraduate was a French and Theater major, then returned to fulfill premedical requirements as a post-baccalaureate candidate. She worked as a medical assistant for a family physician while preparing to attend medical school. Following graduation from medical school, Jessie moved to Portland for her postgraduate training. A 2007 graduate of our OHSU Family Medicine Residency Program, she joined the full-time faculty. Jessie sees patients at the South Waterfront Family Medicine Clinic, where she offers full-service generalist care for her patients. She also serves as director of the Family Medicine Inpatient Service at OHSU Hospital.

Congratulations, Jessie!

### Building Memories With Her Family

Suzanne Fournier recently celebrated her 56<sup>th</sup> birthday. We would like to present her with a belated gift. She has always wanted to visit New York City, but has never gone. Because of the way her cancer is

metastasizing, her doctor recently told her she should make this trip, and do anything else important to her, sooner rather than later.

Suzanne joined Family Medicine in 1997 as the Residency Coordinator. In Suzanne's words, "I must tell you that I had finally found my 'home' and soon became very passionate about my job. Actually, very soon it wasn't a job to me at all. The Residency Section, especially the residents, became my life and my joy. I have truly enjoyed coming to work (most days) for the past 11 years. This is by far the best department that I have worked for." Suzanne retired in April 2008.

We are hoping to help send Suzanne to New York City with her two sons, and are asking you to consider donating to a travel fund. We would really like to contribute to building memories with her family, and think this would be the most meaningful gift to give.

If you would like to participate in Suzanne's New York City fund, please send your check to:

## **OHSU Family Medicine to Participate in March for Babies**

OHSU Family Medicine is participating in March for Babies on April 24, 2010 at the Rose Quarter Commons to help give every baby a healthy start. Every year, more than half a million babies are born too soon. In an average week 96 babies are born premature right here in Oregon. Together, we can do something about this.

We need lots of walkers on the team. Can we count you in? Signing up and raising money for the March of Dimes – March for Babies is easy online. Visit <http://www.marchforbabies.org/team/OHSU> Doernbecher and click “join this team” to get started.

Registration time is 8:00 a.m. with start time at 9:00 a.m. at the Rose Quarter Commons at 1 N Center Court St in Portland. Walk distance is 6.2 miles.

Let's show everyone how much OHSU Family Medicine care about babies!

For questions, please contact: Val Stricklin, RN, BSN, Nurse Case Manager, OHSU Richmond Clinic at 503-418-8247 or [strickli@ohsu.edu](mailto:strickli@ohsu.edu).

## **Welcome New Administrative Staff**

Chizuru Naruse

Chizuru Naruse joined OHSU Family Medicine on April 12<sup>th</sup> as the International Residency Exchange Program Administrator for JADECUM and administrative assistant for Family Medicine Administration.

OHSU Family Medicine and Japan Association for the Development of Community Medicine (JADECUM) have partnered to create an International Residency Exchange Program.

JADECUM residents visit OHSU Family Medicine in Portland, Oregon for rotations that typically last three months.

In Chizuru's words: "I am very excited to be a part of the Family Medicine team!"

"I am from Gifu, Japan and worked at Japanese Consulate. I've been living in Portland for over 13 years and enjoy the beautiful nature here through hiking, biking and camping. And I love music, arts & crafts and road trips as well."

"I'd like to do my best to support JADECUM residents to have a meaningful and also memorable experience from this program."

### Family Medicine Night at MSMP

The Medical Society of Metropolitan Portland (MSMP) held its Annual Meeting on Tuesday, April 6 at the Embassy Suites Hotel. It was definitely Family Medicine Night, with the program featuring two of our distinguished faculty alumni.

Glenn Rodriguez, MD

The keynote speaker was Bruce Goldberg, MD, Director of the Oregon Department of Human Services who discussed implications of the new federal health reform legislation.

Bruce Goldberg, MD

Then Glenn Rodriguez, MD, Chief Medical Officer, Oregon for Providence Health Systems, was installed as the 126<sup>th</sup> president of MSMP.

Both speakers reflected on their time in the Indian Health Service at Crown Point, and on their subsequent coming to Oregon to join OHSU Family Medicine.

### Family Medicine Interest Group Journal Club

The first meeting of the FMIG Journal Club was held Tuesday, April 06, 2010, coordinated by student leaders Richard Bruno, Hau Do, Goeff Dunn and Leah Green.

The group discussed a paper recently published in the British Medical Journal regarding self-monitoring by type 2 diabetics. The randomized, controlled trial showed no difference in diabetic control between those who engaged in glucose self-monitoring and those who did not, but that those who self-monitored reported more manifestations of depression.

Bob Taylor of the Department of Family Medicine serves as the FMIG Journal Club advisor.

This quote, courtesy of Ted Epperly MD and former OHSU student Jennifer Holliday, MD of the Boise Family Medicine Residency, is from an article titled "Country Doctor," published in Life magazine, September 20, 1948, pages 115-126.

"Annually the nation's medical schools send a majority of their graduates into specialization. The current need runs in the opposite direction. Two things can help turn back this current: a reformation on the part of the schools, which as a rule present specialization as a glamorous occupation and general practice as the thankless chore of a drudge, and an effort on the part of small communities to attract general practitioners by following the example of Kremmling [the Colorado town served by Dr. Ceriani, described in the article]."

Some things never seem to change.

### Notice to Taylor Society Members

Members of the Robert B. Taylor, MD Society should have received their invitations to the annual Donor Appreciation Reception and Dinner scheduled for Sunday, May 2, 2010.

The Robert B. Taylor, MD Society is a group of individuals committed to the advancement of OHSU Family Medicine, through ongoing contributions to the Department. Each member of the RBT Society contributes \$500 or more each year to support Departmental programs.

There are currently 84 Taylor Society members. If you are currently not a member, there is still time to join and then receive your invitation to the Donor Appreciation Dinner. See the contribution form at the end of the newsletter.

If you haven't received an invitation to the annual Donor Appreciation Reception and Dinner and believe that you should have, please contact Coelleda O'Neil at 503-494-7595 or [oneilc@ohsu.edu](mailto:oneilc@ohsu.edu).

### Pennington Lectures August 27, 2010: Save the Date

The 2010 Merle Pennington, MD Lectures in Family Medicine will be held Friday, August 27 2010 at the Center for Health and Healing (CHH). This marks the 14<sup>th</sup> year of the lectures, which honor Merle Pennington, MD, one of the founders of the Department of Family Medicine.

The Pennington Lectures tell what's new in medicine that family physicians need to know, presented by your OHSU Family Medicine faculty.

The Pennington Schedule is on Page 8 and the Registration Form is on Page 9. Also at Family Medicine Website: <http://www.ohsu.edu/xd/education/schools/school-of-medicine/departments/clinical-departments/family-medicine/continuing-education/lectures-courses.cfm>.

### Come Uncorked with OAFP

The Oregon Academy of Family Physicians will be holding the first-ever OAFP wine-tasting event on Friday, August 27<sup>th</sup>, right after the Pennington Lectures in Family Medicine, at the OHSU Center for Health and Healing at the 5<sup>th</sup> Floor Atrium from 5:30-8:30 pm.

Spend a summer evening sampling wines from across the Northwest, socializing with colleagues and friends, and nibbling on savory starters. A portion of the proceeds will go to support locum tenens relief for our rural family physicians.

Tickets will go on sale soon . . . don't delay only a limited number of tickets to be sold!

Questions? Contact Lynn Estuesta at [mail@oafp.org](mailto:mail@oafp.org).

Tuality Physicians, PC, a primary care clinic in Hillsboro, with five independently-contracted physicians, is seeking a family practice physician.

In this position, the physician will be medically independent, while being expected to conform to our efficient administrative model. The position is full-time, which is four or five days weekly as scheduled. Remuneration is on the basis of a percentage of collections.

Because we are an independent clinic, we are able to set our own policies, be non-bureaucratic and personalize our practices for the benefit of our patients and ourselves.

Professional and personal relationships within the Clinic are cordial and helpful, and are free of much of the frustration that is so often experienced by physicians who work for large, hospital-owned entities.

If you are interested in this position, please contact me at:
