## NIKE Donates to Socks to Sock It To Me 2009

Lisa Hahn, Purchasing Supervisor of Production Services of NIKE IHM, Inc delivered 50 lbs of socks to OHSU Family Medicine on December 29<sup>th</sup>. They were sorted into 8 boxes and delivered to OHSU Family Medicine at Richmond, a Federally Qualified Health Center Look-A-Like clinic.

Lisa said she had an appointment at OHSU and noticed one of the Sock It to Me 2009 flyers. She took it back to her boss and asked if she could deliver the socks to Sock It to Me 2009.

Lisa and her husband spent over two hours sorting the socks prior delivering them to OHSU Family Medicine.

Thank you, Lisa and NIKE IHM, Inc.

## Sock It To Me 2009 Sock Drive a Great Success

Hopefully we made someone feel extra special this holiday season.

OHSU Family Medicine Administration sponsored our Annual **“Sock It To Me”** Sock Drive again this season from November 30 – December 18. We received over 70 boxes of donated clothing including used and new socks, mittens, knit caps, sweaters, flannel shirts, coats, scarves and blankets.

Donations were delivered to CityTeam Ministries in NE Portland, Southwest Community Health Center on Capitol Highway and to our Family Medicine Richmond Clinic.

CityTeam is a non-profit organization serving the poor and homeless. Since 1957, CityTeam has provided life saving food, shelter, clothing, recovery programs, youth outreach, camp for at-risk inner city kids, discipleship and other essential care 365 days a year.

The Richmond Clinic is a Federally-Qualified look-a-like Health Center that works with many low income needy families.

The Family Medicine Administration team thanks everyone who donated items to this important drive.

### Thank you Letter from CityTeam Ministries

We want to extend a very big thank you for the many blessings that made this recent Holiday Season so special for those we serve. Primerica and other CityTeam

partners provided Christmas Gifts for our homeless guests each filled with hygiene products, candy, gloves and hats. At our Christmas banquet, a group of business friends pooled their resources together and purchased over 200 brand new sleeping bags for each person who came to dinner. The homeless were thrilled! The meal was cooked and served by volunteers from the Canby area – an annual blessing for the past 20 years!

Close to 400 Christmas gifts, provided by KGW Channel 8, Haven of Rest Spa and many other generous donors were distributed along with Holiday food boxes to needy families around the Portland metro area. Thank you to all of the “elves” who helped deliver them!

Thanks to partners like you, 2009 was a year of blessings to those less fortunate. CityTeam served over 87,000 meals in the last 12 months – so amazing! We hosted over 24,000 nights of safe shelter, had 33 men participate in our drug and alcohol recovery program, over 400 families received food boxes and other essential items (including back packs for kids and special holiday items) and 5,000 pieces of clothing were distributed, not including a recent coat give-away where over 2,000 coats were given away at two east Portland schools and one community church in SW Portland.

According to the most recent Multnomah County homeless count, almost one in four (23%) homeless individuals were reported in our primary service area of SE Portland and more than 40% of people living in the immediate vicinity of our facility live below the federal poverty level (income less than \$8,350 for individuals and \$14,150 for families of three). Our community struggles with the effects of unemployment and poverty on a daily basis. We know that these are humbled by your sacrifice and tremendous generosity.

Our special thanks to these partners who made the holidays a true gift: Frontier Missions, Sunshine Division, Birch Cleaners, Primerica, Bob's Red Mill, Clackamas Costco, Tigard Costco, KGW Channel 8, Motosport Hillsboro, WL May, Co, Oregon City Evangelical Church, Happy Valley Evangelical Women, Life Fellowship Church, Next Adventure, Tremont Evangelical Women, Hopewell Church, Valley View Day School, Burlington Coat Factory, Aeropostle, **OHSU Department of Family Medicine**, Intown Presbyterian church, Portland Pentecostals Church and Haven of Rest Spa.

Have a Blessed New Year!

Position: Family Medicine or Internal Medicine  
Physician

With the support of a designated clinical team, physician will manage a patient panel of between 1,200 and 1,500 patients, providing a team based patient centered medical home.

This is a full-time clinic position with competitive salary that will range between \$130,000 and \$150,000, generous benefits including paid personal time off, CME time and reimbursement allowance, medical, dental, and long-term disability insurance, and employer match retirement currently at 3%. Relocation and sign-on bonus negotiable. After hour telephone call is the responsibility of the mid-level provider staff. Mercy Medical Center supports a hospitalist program for adult in-patients leaving only the pediatric (mostly new-born) hospital care for UCHC physicians. Currently these visits are averaging less than 10 per month and will be shared with the other physicians on staff.

Current medical staffing includes one physician, seven nurse practitioners, five RN's, one LPN along with a full cadre of medical assistants and support staff. UCHC also runs a 40 hour per week dental clinic that is currently staffed by local dentists who rotate days and weeks. Funding to provide behavior health services has been applied for.

The primary clinic is located in Roseburg with satellite clinics in the smaller outlying communities of Drain, Glide, and Myrtle Creek. UCHC also staffs the School Based Health Center at Roseburg High School and will be opening a second SBHC in Winston this spring. The Roseburg clinic is on target to build and open a 20,000 square foot, \$5,000,000 building late 2009 - early 2010. Although this search is primarily for the Roseburg clinic, ideally we would like to recruit a physician for our newest clinic in Myrtle Creek as well.

Roseburg has an ideal location geographically. There are four distinct, yet mild seasons, recreation opportunities including world class fly fishing, rafting, boating, hiking and cross country skiing easily accessible just outside your door. Good schools, low crime, local music and art festivals and local sporting events round out this rural yet comfortable community.
