Family Medicine Residency Program earns top ratings
Family Medicine Residency was named No. 3 among the
the programs in the West and No. 5 in the nation by
Doximity’s residency navigator, is “built to help medical
students make informed residency decisions and to
increase transparency in the residency match process.”

Children’s Insurance rates
PORTLAND – According
to a recently published
study, the likelihood of
children having public
health insurance
increases when their
parents can apply for
Medicaid.

"Effect of Expanding
Medicaid for Parents on
Children’s Health
Insurance Coverage:
Lessons from the Oregon
Experiment" was
published online at JAMA
Pediatrics by Family
Medicine researchers and
others. Read more
