

OHSU Family Medicine is committed to providing unrestricted access to personal health care for everyone. This includes adults and children without health insurance. In order to do this, we are changing our access policy by offering a membership program for people who do not have insurance.

Our new program is called Access Assured. If you are not covered by insurance, your Access Assured membership will let you to receive basic health care at our OHSU Family Medicine clinics at South Waterfront, and at Gabriel Park. With OHSU Family Medicine Access Assured, services within our clinic will be available to you at a cost based on OHSU's Financial Assistance Policy. Your membership also offers additional services that will not require office visits.

Applying for Access Assured is easy. Ask our staff to assist you with the membership application, and show you how to connect with OHSU financial assistance screening. With Access Assured, you will continue to receive a bill for all services provided in our office; but based on your financial screening, you may receive discounts for these services.

Your first six months of membership is available for \$250. After the first six months, you can continue with OHSU Family Medicine by maintaining your Access Assured membership.

### Access Assured Membership Options:
