PEDIATRIC INITIAL CONSULTATION REMINDER

To the parents of _____________________:

Your child has been scheduled for an initial evaluation in the Sleep Disorders Clinic. This letter gives some instructions on where to go, and who to call if you have questions or need to make changes to this reservation.

Your child’s appointment is scheduled on:

☐ Monday ☐ Tuesday ☐ Wednesday ☐ Thursday

Date: _____________________________________

Time: ___________________am/pm

Please arrive 30 minutes prior to your appointment to allow time for parking and to facilitate the check in process. Please be aware that parking may be difficult to find during peak appointment hours, so please allow extra time for this.

This consultation allows your child’s clinician to obtain relevant medical history, evaluate sleep history and determine if a sleep study (polysomnogram) is indicated. A parent, guardian or caregiver must accompany your child to the appointment and can provide valuable observations during this visit. This appointment will last approximately 60 minutes.

Please complete the enclosed questionnaire(s) and bring it with you to your appointment. There may be 2 questionnaires to complete: 1 for parent/caregiver, 1 for adolescent aged patients.

Insurance and Registration:
Current OHSU registration is required. Please call ahead and register so an active account exists before your appointment. You can contact Registration (503) 494-8505 or toll-free 1-888-222-6478, extension 8505.

Please bring your insurance card as well as a co-payment, if required by insurance company.

Clinic Location:
The Sleep Medicine Program is located in the Hatfield Research Building (HRC) on the 13th floor. It can be reached by using elevator “E” which is located next to the Marquam Café. See attached directions on how to get OHSU as well as a campus map.
Important numbers to remember:
If you need to notify us of scheduling changes, or have questions, please call 503-494-6066. Office hours are Monday-Friday, 8:00am-5:00pm.

Thank you,
OHSU Sleep Disorders Program
