

## OMPH - OHSU Epidemiology and Biostatistics Track Course Schedule (subject to change) Spring 2011

Campus	Course #	CRN #	Course	Instructor	Cr.	Day	Time	Bldg	Room	Comments
<p>Please note: Courses are for MPH students only, unless otherwise noted. All PSU and OSU OMPH students must obtain departmental permission before enrolling in MPH classes. Non-degree students must also seek departmental approval. Contact the PPHM Education Office at <a href="mailto:phpm@ohsu.edu">phpm@ohsu.edu</a> for assistance. Spring term registration begins on February 14. For detailed registration instructions, please visit our How To Register web page: <a href="http://www.ohsu.edu/xd/education/schools/school-of-medicine/departments/clinical-departments/public-health/education-programs/courses-and-schedules/course-registration.cfm">http://www.ohsu.edu/xd/education/schools/school-of-medicine/departments/clinical-departments/public-health/education-programs/courses-and-schedules/course-registration.cfm</a></p>										
OHSU	PHPM 503	30751	<a href="#">Thesis</a>	Lambert, W.	1-6					We are no longer having students register with individual thesis mentors. Instead, all students will use the same CRN under Dr. Lambert who will be sure to connect with the thesis mentors when the grades are due.
OHSU	PHPM 504	30102	<a href="#">Internship</a>	Lambert, W.	1-6					
OHSU	PHPM 505	created as needed	<a href="#">Reading &amp; Conference</a>	varies	3					Please contact Natalie Chin ( <a href="mailto:chinn@ohsu.edu">chinn@ohsu.edu</a> ) if you need a CRN for a Reading and Conference class with a particular instructor. You will need to forward her an email from the instructor documenting permission and the number of credits.
OHSU	PHPM 507	31818	<a href="#">Genomics and Public Health Policy: Issues and Trends</a>	Fowler and Flower	2					This online course is offered to all OMPH students at OHSU, PSU and OSU; OHSU graduate nursing students; OHSU physician assistant students; and students and/or professional members of the public health workforce. There are 5 slots currently reserved for each of these groups. Please contact Dr. Greg Fowler for more information at <a href="mailto:gflower@geneforum.org">gflower@geneforum.org</a> . Instructor permission only.
	PHPM 507	30113	<a href="#">Qualitative Research Methods</a>	Rieckmann and Croff	2	T	1:30 - 3:30	School of Nursing	SoN 116	This offering is contingent upon an enrollment of at least 10 students. This course is open to all graduate students. Non-MPH students will need instructor permission.
PSU*	PHPM 507	varies	<i>See additional PSU electives at <a href="http://www.pdx.edu/registration/class_schedule.html">www.pdx.edu/registration/class_schedule.html</a></i>							
OHSU	PHPM 514	30115	<a href="#">Epidemiology III</a>	Lambert, Stull, Austin	4	M, W	1:00-2:30 (Mon) 12:30 - 2:50 (Wed)	Campus Services Bldng	CSB 679	Epi/Biostat students only.
PSU*	PHPM 517 (PHE 512)	30880	<a href="#">Principles of Health Behavior</a>	Wheeler	3	T	6:40 - 9:20PM	PSU	URBN 450	Please note that PSU classrooms are often not finalized until the day of class, so be sure to check the PSU online schedule to verify the location on the day of the class: <a href="http://www.sa.pdx.edu/soc/">http://www.sa.pdx.edu/soc/</a>
