HRSA (Health Resources and Services Administration) **Regional Updates**

ABSTRACT

This presentation will focus on HRSA updates, including Teaching Health Centers, the Patient-Centered Medical Health Home (PCMHH) Initiative, the expansion of the National Health Service Corps, and the expansion of Community Health Centers. Presenter will share a brief overview on the approximately 25 different grants to OHSU that HRSA currently funds. I will also briefly describe the HRSA Office of Regional Operations and the Region X (Seattle) office's latest projects, including opportunities for collaboration.

Food and beverages will be provided.
