

Pancreatic Cancer Symposium

PRESENTING THE LATEST PROGRESS IN RESEARCH AND THERAPY
FOR PANCREATIC DISEASE

Save the date:

September 5 – 6, 2014

Oregon Health & Science University, Portland, Oregon

Announcing the inaugural PancWest Symposium sponsored by the OHSU Brenden-Colson Center for Pancreatic Health.

This interactive scientific meeting will present:

- Advances in research and our understanding of molecular and cellular mechanisms underlying pancreatic disease
- Advances in clinical patient care
- A forum to discuss barriers to further progress
- How to foster new research and therapeutic protocols to direct patient care

CME for clinical topics: Credits are pending approval

For more information, please visit www.ohsuknightcancer.com/pancreatic-symposium or contact Cathy Villagomez at villagoc@ohsu.edu
Registration materials to follow.

Presented by the OHSU Brenden-Colson Center for Pancreatic Health and OHSU Knight Cancer Institute and in collaboration with the Pancreatic Cancer Action Network
