Subject: FY13 Knight Cancer Research Development Award

Dear Dr. Bornstein-

Congratulations! Your proposal entitled "Functional Significance of Tumor-initiating Cells in Recurrent Head and Neck Squamous Cell Carcinoma" has been selected for receipt of the *Cathy and Jim Rudd Career Development Award for Cancer Research*. A total of \$10,000 will be made available to you over the project period of December 1, 2012 through November 30, 2013. I have included some feedback below from the committee reviewers that you may find helpful as you moving forward.

The Knight Grants Development Manager, Katherine Emmett, will be contacting you to complete all necessary information in order to set up your account. Additionally, a representative from our Development Office will be in touch with you to coordinate any necessary communication with our generous donors. We look forward to hearing updates regarding the progress toward your goals.

All the best! Kristin
